Re: January 2026, Monthly Operational Report for the Wastewater Treatment Plant, and Lift Stations for Jenks, Oklahoma

Dear JPWA:

The Monthly Operational Reports will be sent to you by the second Tuesday of the following month, so that you will have a complete understanding of what has occurred at the Wastewater Treatment Plant (WWTP), Booster Pump Stations and Lift Stations. This report will also include regulatory reports; compliance reports, chemical usage, and any scheduled events that will be occurring in future months.

Please call me by phone at (918) 649-4394 or by e-mail at rclark@uswatercorp.net with any questions regarding this report.

Sincerely,

Rick Clark

Rick Clark
Senior Project Manager
USW Utility Group
307 Main St.
Heavener, OK 74937

**Jenks, Oklahoma Monthly
Operational Report
January 2026**

Executive Summary

The Jenks Wastewater Treatment Facility is fully in compliance with discharge criteria established by the Oklahoma Department of Environmental Quality.

January was the tenth month of year three for the U.S. Water Utility Group at the Jenks Public Works Authority Wastewater Treatment Plant. We currently have five full-time employees. The newest employee started on January 12th. U.S. Water completed 164 work orders over the course of the month. Monthly Stormwater TMDL e Coli samples were taken from ten local streams and delivered for testing. Results may be found in the back of this report.

The following plant maintenance were completed during the month of January:

The crane in headworks had a new wire rope installed on it following a failed inspection back in November. The crane passed its latest inspection and is now back in service.

Single digit and below zero temperatures were experienced in the month of January, headworks had little icing on the ramps to the screwfactor, but no freezing or damage was suffered by the water lines that were the source of problems in years past. Minor freezing also occurred at the clarifiers with no damage reported.

The following lift station maintenance was completed during the month of January:

Commerce Park, Forrest Hills, Yorktown 2, B Street and West Main lift stations were de-ragged.

The maintenance crew was busy recording quarterly lift station wet well level drawdowns and pump motor amp draws.

The following pages will provide an overview of the budget, operations, maintenance, and projects that have been completed for January 2026, for the Wastewater Treatment Plant (WWTP), Booster Pump Stations and Lift Stations in Jenks, Oklahoma.

**Jenks, Oklahoma Monthly
Operational Report
January 2026**

WWTP Maintenance

Operators completed 164 preventative maintenance work orders including oxidation ditch maintenance, headworks preventative maintenance, monthly crane inspections, grit removal system maintenance, fire extinguishers and eye wash station maintenance.

WWTP Lift Stations

The Maintenance Crew has been maintaining the lift stations, all 32 lift stations, and two booster stations were operational during the month of January. All 34 stations were inspected 4 times a week, wet well checks, checked pump operations and checked pumps in auto on Saturdays, Mondays, Wednesdays, and Fridays.

ENGINEERING
MONTHLY REPORT

PROJECTS STATUS REPORTS

Date of update: February 12, 2026

Bold italicized notes are changes/additions from the previous report

Strike through indicates item is complete

Streets Projects

Elm/Turnpike Interchange

Construction completed March 2017

Right-of-way acquisition still ongoing.

Elwood Avenue (Main to 111th Street)

Phase I, Phase 2 and Phase 3 project approved for ODOT STP funding

Projected schedule:

Engineering Contract Awarded	October 2013
Preliminary Design Complete	March 2014
Final Design Complete	March 2024
Environmental Complete	February 2017
Right-of-way Acquisition Complete	December 2022
Utility Relocation Complete	December 2026
Bid Project	February 2027
Award of Contract	March 2027
Construction Complete	October 2029

S. Elm Street Improvements (111th Street to 121st Street)

Projected schedule:

Engineering Contract Awarded	May 2016
Preliminary Design Complete	July 2017
Final Design Complete	October 2022
Environmental Complete	Not Applicable
Right-of-way Acquisition Complete	May 2024
Utility Relocation Complete	December 2023
Bid Project	October 2024
Award of Contract	November 2024
Construction Complete	October 2026

S. Elm Street Improvements (121th Street to 131st Street)

Projected schedule:

Engineering Contract Awarded	May 2016
Preliminary Design Complete	July 2017
Final Design Complete	October 2022
Environmental Complete	Not Applicable
Right-of-way Acquisition Complete	May 2024
Utility Relocation Complete	March 2026
Bid Project	February 2026
Award of Contract	March 2026
Construction Complete	March 2027

Streets Projects (continued)

106th Street (Elm to River District)

Projected schedule:

Engineering Contract Awarded	July 2021
Preliminary Design Complete	February 2026
Final Design Complete	May 2026
Environmental Complete	July 2026
Right-of-way Acquisition Complete	July 2026
Utility Relocation Complete	July 2026
Bid Project	August 2026
Award of Contract	September 2026
Construction Complete	December 2027

Elwood Avenue (91st to 96th Street)

Projected schedule:

Engineering Contract Awarded	July 2022
Preliminary Design Complete	January 2023
Final Design Complete	August 2023
Environmental Complete	
Right-of-way Acquisition Complete	May 2026
Utility Relocation Complete	
Bid Project	
Award of Contract	
Construction Complete	

Elwood Avenue (111th to 121st Street)

Projected schedule:

Engineering Contract Awarded	July 2022
Preliminary Design Complete	January 2023
Final Design Complete	December 2023
Environmental Complete	ON HOLD
Right-of-way Acquisition Complete	
Utility Relocation Complete	
Bid Project	
Award of Contract	
Construction Complete	

121st Street (Elm Street to Elwood Avenue) Trail

Projected schedule:

Engineering Contract Awarded	September 2023
Preliminary Design Complete	January 2024
Final Design Complete	April 2025
Environmental Complete	February 2025
Right-of-way Acquisition Complete	Not Applicable
Utility Relocation Complete	December 2025
Bid Project	October 2025
Award of Contract	November 2025
Construction Complete	August 2026

Streets Projects (continued)

Pedestrian Bridge Rehabilitation

Projected schedule:

Engineering Contract Awarded	March 2026
Preliminary Design Complete	
Final Design Complete	
Environmental Complete	
Right-of-way Acquisition Complete	
Utility Relocation Complete	
Bid Project	
Award of Contract	
Construction Complete	
Award of Contract	
Construction Complete	

N. 5th St. Sidewalk Extension

Projected schedule:

Engineering Contract Awarded	December 2025
Preliminary Design Complete	
Final Design Complete	
Environmental Complete	
Right-of-way Acquisition Complete	
Utility Relocation Complete	
Bid Project	
Award of Contract	
Construction Complete	
Award of Contract	
Construction Complete	

Parkwest Trail Extension

Projected schedule:

Engineering Contract Awarded	December 2025
Preliminary Design Complete	
Final Design Complete	
Environmental Complete	
Right-of-way Acquisition Complete	
Utility Relocation Complete	
Bid Project	
Award of Contract	
Construction Complete	
Award of Contract	
Construction Complete	

Sanitary Sewer Projects

106th and Elm Street Lift Station and Forcemain

Projected schedule:

Engineering Contract Awarded	March 2024
Preliminary Design Complete	January 2024
Final Design Complete	May 2026
Environmental Complete	
Right-of-way Acquisition Complete	
Utility Relocation Complete	
Bid Project	
Award of Contract	
Construction Complete	

Sanitary Sewer Projects (continued)

Victoria Pond Lift Station and Forcemain

Projected schedule:

Engineering Contract Awarded	December 2021
Preliminary Design Complete	August 2022
Final Design Complete	February 2026
Environmental Complete	
Right-of-way Acquisition Complete	
Utility Relocation Complete	
Bid Project	
Award of Contract	
Construction Complete	

Water System Projects

121st Street Water Extension (Eddington Place to 27 W. Avenue)

Projected schedule:

Engineering Contract Awarded	September 2021
Preliminary Design Complete	May 2022
Final Design Complete	March 2024
Environmental Complete	Not Applicable
Right-of-way Acquisition Complete	February 2026
Utility Relocation Complete	Not Applicable
Bid Project	February 2026
Award of Contract	April 2026
Construction Complete	November 2026

Pedestrian Bridge Waterline Replacement

Projected schedule:

Engineering Contract Awarded	April 2023
Preliminary Design Complete	May 2023
Final Design Complete	June 2024
Environmental Complete	ON HOLD
Right-of-way Acquisition Complete	Not Applicable
Utility Relocation Complete	Not Applicable
Bid Project	ON HOLD
Award of Contract	ON HOLD
Construction Complete	ON HOLD

Water System Master Plan

Projected schedule:

Engineering Contract Awarded	March 2026
Preliminary Design Complete	
Final Design Complete	
Environmental Complete	
Right-of-way Acquisition Complete	
Utility Relocation Complete	
Bid Project	
Award of Contract	
Construction Complete	

Drainage System Projects

Arkansas Riverbank (Main Street Bridge to Creek Turnpike Bridge) Stabilization Design

Projected schedule:

Engineering Contract Awarded	April-2022
Preliminary Design Complete	June-2022
Final Design Complete	ON HOLD
Environmental Complete	
Right-of-way Acquisition Complete	
Utility Relocation Complete	
Bid Project	
Award of Contract	
Construction Complete	

Vision 2025 Extension Projects

"C" Street (Fir to Elm Street) Sidewalk

Project schedule:

Engineering Contract Awarded	June-2023
Preliminary Design Complete	November-2023
Final Design Complete	March-2024
Environmental Complete	Not Applicable
Right-of-way Acquisition Complete	November 2024
Utility Relocation Complete	Not Applicable
Bid Project	ON HOLD
Award of Contract	
Construction Complete	

RAISE Grant Project

Tulsa-Jenks Multi-Modal Safety RAISE Project

Project schedule:

Engineering Contract Awarded	June-2024
Preliminary Design Complete	May-2025
Final Design Complete	January-2026
Environmental Complete	March 2026
Right-of-way Acquisition Complete	August 2026
Utility Relocation Complete	June 2026
Bid Project	September 2026
Award of Contract	December 2026
Construction Complete	January 2028

Engineering Department Projects

Aquarium Drive ("B" to Elm St.) and Elm Street (101st to 111th St.) Trail Rehabilitation

Projected schedule:

Engineering Contract Awarded	Not Applicable
Preliminary Design Complete	March-2024
Final Design Complete	March 2026
Environmental Complete	March 2026
Right-of-way Acquisition Complete	Not Applicable
Utility Relocation Complete	Not Applicable
Bid Project	April 2026
Award of Contract	May 2026
Construction Complete	October 2026

City Facility Projects

Fire Station No. 1

Projected schedule:

Engineering Contract Awarded	May 2020
Preliminary Design Complete	May 2023
Final Design Complete	February 2024
Environmental Complete	Not Applicable
Right-of-way Acquisition Complete	Not Applicable
Utility Relocation Complete	Not Applicable
Bid Project	March 2024
Award of Contract	May 2024
Construction Complete	February 2026

February 12, 2026

STREET IMPROVEMENTS PROJECTS

Elm Street (111th Street to 131st Street):

- Contractor has installed the stormwater collection system on the west side between W. 115th St. and approximately 190 feet south of W. 116th St.
- Contractor has removed the driveways/road shoulder, installed road subgrade, and passed the density tests along the west side from approximately 300 feet north of W. 115th St. to approximately 200 feet south of W. 116th St.
- Contractor has installed curb and gutter starting approximately 100 feet north of W. 116th St. and continue north for approximately 400 feet.
- Contractor is working to complete the tie-in of W. 120th St. to S. Elm St. and is expecting to pour concrete for this section during the week of February 16, 2026.

PARK/TRAIL/SIDEWALK IMPROVEMENT PROJECTS

121st Street Trail (Elm to Elwood):

- The construction Notice to Proceed (NTP) date has been set as March 2, 2026. A pre-construction meeting with the Contractor, ODOT, and City Staff in the upcoming weeks.

Aquarium Drive and Elm Street Trails:

- City staff is addressing the comments from Tulsa County regarding the levee crossing to acquire a Statement of No Objection for the 408 Permit.

WATERLINE CAPITAL PROJECTS

121st ST. Waterline Extension:

- City Staff is submitting the ODEQ permits for this project, and the consultant is addressing the comments from ONG. The ODOT permits have been approved for this project.

Water System Master Plan and Model:

- City Staff have selected an engineering firm through RFP interviews and have begun contract negotiations.

CITY FACILITY PROJECTS

Fire Station #1

- Contractor has completed approximately 65% of the punch list and the Fire Department was able to begin operating out of the new station on Friday January 23, 2026.

COMMERCIAL PROJECTS

Riverfront South Centre Apartments (STUCO) (“K” Pl. & 5th St.):

- Contractor is installing the east half of the waterline. Contractor has connected the forcemain from the lift station to the existing pipe on the south side of E. “K” Pl.

Eighteen Acre Ranch (116th St. & Elwood):

- Punchlist as been completed. Contractor is preparing the maintenance bond required for infrastructure acceptance.

Burn Boot Camp (“B” St. & Riverfront Ter.):

- Work has been completed and a CO has been issued.

Motorsports Collective(Franklin St. & Adams St.):

- Contractor is constructing the storage buildings/garages and working on the exterior masonry of the main building.

Bridging Hunger (East of Gateway Mortgage Group):

- Contractor is widening the south entrance off S. Franklin St. to allow better circulation of truck deliveries.

AAA Insurance (“A” St. & 5th St.):

- Contractor is making the service connection to the sanitary sewer.
- City staff is working to coordinate the property to be resurveyed and new property pins installed.

Chase Bank (706 W. Main St.):

- Contractor is preparing the necessary documents for infrastructure acceptance and working with Tulsa County to file all necessary easements.

Triple H Property (121st St. and 27th W. Ave.):

- Developer is working to file the development’s plat. Contractor is preparing to pour the building footings.

SUBDIVISION PROJECTS

121st & Elm Complex (121st Street and Elm Street – southwest corner):

- Contractor is continuing to complete rough grading of the site.

The Reserve at Southern Woods (111th Street, west of US 75):

- A punch list was provided to the developer on January 22, 2026 and the contractor is working to address the punch list items.

Belvedere Reserve (131st St. & S. Harvard Ave.):

- Contractor is continuing site grading.

Bentley Ranch (131st St. & S. Elm St.):

- Contractor is continuing site grading. City staff have provided comments to the developer’s team on the Public Infrastructure Review Application.

Frazier Falls (E. 126th St. and S. Harvard Ave.):

- Contractor is continuing site grading. City staff has received a Public Infrastructure Review Applications for this development and will provide comments to the developer’s team shortly.

Crossvine (W. 128th St. and S. Elm St.):

- City staff has received a Public Infrastructure Review Applications for this development and will provide comments to the developer’s team shortly.

Kimberly Estates (E. 131st St. and S. Harvard Ave.):

- Contractor is continuing site grading. City staff have provided comments to the developer’s team on the Public Infrastructure Review Application.

Engineering Projects Status Report

February 12, 2026

STREET IMPROVEMENT PROJECTS

Elm Street (111th Street to 131st Street) Project: On October 15th Paragon Contractors, LLC was awarded the construction of Phase 1 (111th Street to 121st Street) and the 116th Street Trail. Standard Engineering + Testing Services was awarded a contract for Construction Management and Laboratory Services for Phase 1 (111th Street to 121st Street) and the 116th Street Trail Contractor is continuing to work on the pedestrian trail on the east side of Elm St. moving north from the 121st St. intersection. and Elm St. Contractor has completed the striping at the intersection of 121st St. and Elm St. allowing this intersection to be opened completely. Contractor has completed the pressure test and Bac-T test for the CRWD#2 waterline and completed the tie-in for this line on December 10, 2025. Contractor is continuing to install the City waterline on the eastside of Elm St. between 112th St. and 116th St. Contractor has begun installation of the stormwater collection system on the westside of Elm St. north of 116th St. Contractor is continuing to install the stormwater collection system moving south from 115th St along the west side of Elm St. Contractor is installing road subgrade and fill dirt behind the future curbline along the westside of Elm St. between W. 115th St. and W. 120th St.

Update:

Contractor has installed the stormwater collection system on the west side between W. 115th St. and approximately 190 feet south of W. 116th St. Contractor has removed the driveways/road shoulder, installed road subgrade, and passed the density tests along the west side from approximately 300 feet north of W. 115th St. to approximately 200 feet south of W. 116th St. Contractor has installed curb and gutter starting approximately 100 feet north of W. 116th St. and continue north for approximately 400 feet. Contractor is working to complete the tie-in of W. 120th St. to S. Elm St. and is expecting to pour concrete for this section during the week of February 16, 2026.

Elwood Avenue (111th Street to Main Street) Project: All right-of-way has been acquired. Consultant provided final plans and all of the City's comments have been addressed. City staff is working with ODOT to determine the funding available and with ONG for a utility relocation. Two Surface Transportation Block Grant (STBG) applications for federal funding to complete the utility relocation and construction were submitted to INCOG. INCOG has awarded FFY2026-2027 STBG funding for utility relocation in the total amount of \$2,100,000.00. The total federal funding of this awarded project is 80% of the total or \$1,680,000.00. City staff have contacted PSO/AEP to confirm their lines have been relocated and are not in conflict with the design of the project. ODOT is working to provide an updated agreement capturing all the awarded federal funding to date. An updated agreement between the City and ONG for the utility relocation required for this project was fully executed on December 30, 2025.

Update:

No update.

106th Street Extension (Elm Street to Lewis Avenue) Design:

Consultant Progress: Plans/Specifications/Estimate (PS&E): West end PS&E development with the resolution of issues, interior drainage analysis for west end, annotating PS&E sheets for east end; Hydrology: finished preliminary hydraulics, waiting on existing hydraulic models to set profile for Polecat Creek, Future preparations will be put into the road design to allow for moving the lift station at a later date when required. Consultant is continuing to work on the design to update the street to a 3-lane street. The hydraulic contractor is continuing to work on their report to provide. The contractor is having to remodel the bridge over Polecat due to the first design not allowing enough water to pass without causing a rise in the floodplain. Consultant has completed approximately 75% of the justification letter and exhibits requested by the railroad for the at-grade railroad crossing required for this project. Consultant has been working on designing the stormwater collection system that will need to be installed at the intersection of 106th St. and Elm St. Consultant has submitted the justification letter and exhibits to city staff for review prior to submitting the documents to the railroad. Consultant is working to complete a preliminary set of plans for the new 3-lane design to be submitted to City staff for review by the end of the year. Consultant has submitted preliminary plan for City staff's review.

Update:

No update.

Elwood Avenue (91st to 96th Street) Design: INCOG awarded \$625,000 (\$500,000 Federal, \$125,000 Local match) to this project for Right-of-Way acquisition. Right-of-way acquisition is on hold until an agreement with ODOT is in place for the right-of-way funding. Final plans have been accepted by staff. Staff is waiting on ODOT to provide the funding agreement for ROW acquisition. The local match was approved by City Council on October 15th, Right-of-Way acquisition is to proceed.

Update:

No update.

Elwood Avenue (111th to 121st Street) Design: Final plans have been submitted by the consultant for review. Staff have provided review comments to the consultant. The consultant has provided accepted plans for this project.

Update:

No update.

Engineering Projects Status Report

February 12, 2026

PARK/TRAIL/SIDEWALK IMPROVEMENT PROJECTS

121st Street Trail (Elm to Elwood): Staff met with the consultant on November 9 and reviewed the conceptual layout and discussed how to address potential conflicts. City staff is working to address a couple of right-of-way encroachment issues. This Supplemental and Modification Agreement is on the 9-2-2025 City Council agenda for approval. City staff has sent out letters to the properties encroaching into the right-of-way for 121st St. to inform the owners of the upcoming project and that they need to remove any of their property from the city right-of-way. ODOT opened bids on this project on October 9, 2025 and will be awarding the project in November or December. On November 3, 2025 ODOT awarded this project to Daris Contractors, LLC for \$838,180.00. A pre-construction meeting with City staff, ODOT, and Daris will take place in the upcoming months. Encroachments in the project area have been resolved.

Update:

The construction Notice to Proceed (NTP) date has been set as March 2, 2026. A pre-construction meeting with the Contractor, ODOT, and City Staff in the upcoming weeks.

Aquarium Drive and Elm Street Trails: ODOT provided review comments on the preliminary plans. Staff is addressing ODOT's review comments. Staff will obtain a 408 Permit from the US Army Corps of Engineers for the trail connection between the Veterans Park Trail and the trail along 101st Street. In addition, Tulsa County is reviewing the plans for this trail connection. 60% plans have been submitted to ODOT for review. ODOT has returned comments on the 60% plans and City staff will work to address the comments and submit 90% plans to ODOT. City staff met on-site with the Army Corps of Engineers (USACE) to discuss the levee crossing and the necessary requirements associated with the crossing. City staff is working to update the plans and provide the USACE the necessary information for a 408 permit.

Update:

City staff is addressing the comments from Tulsa County regarding the levee crossing to acquire a Statement of No Objection for the 408 Permit.

RAISE Grant Trail: This project was awarded by INCOG to design and construct two trail segments along the Arkansas River. Segment "A" begins approximately at 83rd St. and Elm St. extending south follow the toe of the levee to W. "K" Pl. before turning east and tying into the existing trail behind the Riverwalk development. Segment "B" begins at the end of the existing trail behind Waterfront Grill extending south along the top of the Arkansas River bank to the approximate location of the proposed Low Water Dam. Consultant is coordinating with ODOT to begin the NEPA evaluation for each segment. ODOT has stated this process will take approximately 9-10 months to complete. Consultant has provided the City with 90% plans for Segment A to review and the City is working with the Consultant to address a few items on Segment B before they submit 90% plans for the City to review. City staff have provided comments to the Consultant on the provided 90% plans for Segment A. The Consultant is working to address those comments and finalize the plans for Segment A. City staff are working with a contractor to begin right-of-way acquisition for Segment A of this project. Consultant is correcting the easement documents to account for the right-of-way dedication and easements provided in the plat with the new apartment complex north of E. "K" Pl. Consultant has provided PS&E plans for Segment A for City staff to review.

Update:

No update.

Pedestrian Bridge Inspection: Consultant has provided a final inspection report which staff has accepted. Consultant has provided a draft presentation for City Council which staff is reviewing. Consultant gave a presentation at the City Council meeting on 08/05/2025 explaining their findings. This presentation was given prior to the agenda item regarding engineering contract to design the repairs to the pedestrian bridge.

Update:

No update.

"C" Street (Fir Street to Elm Street) Sidewalk: Staff has accepted the plans from the consultant and will seek to acquire temporary construction easements for the project. Staff has selected a ROW agent and acquisition of temporary construction easements has begun. Engineering consultant is reassessing the required Temporary Construction Easements (TCE). New plans have been provided by the engineering consultant to reduce the required TCEs.

Update:

No update.

N. 5th St. Sidewalk Extension: The project is to extend sidewalks along N. 3rd St. between E. "H" St. and E. "F" St., E. "F" St. between N. 3rd St. and N. 5th St., and N. 5th St. between E. "J" St. and E. "B" St. This extension will provide safer access for travel between high school facilities and the residential/commercial development around the high school. Once a signed agreement with ODOT has been received, City Staff will begin the selection process and select a design consultant to complete the design of this project. During the INCOG FFY2026-2027 TAP funding period this project was awarded federal funding in the amount of \$40,000.00 for design and \$400,981.00 for construction. City staff and ODOT held interview with three (3) consultants to select a designer for this project on November 4, 2025. A consultant will be selected and an agreement completed in the next couple of months. After which this project's design will begin. City staff, ODOT, and the selected Consultant held a meeting to clarify the scope of work for the project.

Update:

No update.

Parkwest Trail Extension: The project is to extend a trail for the dog park at Parkwest to Main St. and west to Elwood Ave. This extension will provide a connection between the three trail systems in Jenks W. 101st St. trail system, S. Elwood Ave trail system, and Leon "Red" Earp Nature Trail system. The trail will also provide safe pedestrian access to the Parkwest sports complex, Bark West dog park, and a local shopping center. Once a signed agreement with ODOT has been received, City Staff will begin the selection process and select a design consultant to complete the design of this project. During the INCOG FFY2026-2027 TAP funding period this project was awarded federal funding in the amount of \$48,000.00 for design and \$769,703.00 for construction. City staff and ODOT held interview with three (3) consultants to select a designer for this project on November 4, 2025. A consultant will be selected and an agreement completed in the next couple of months. After which this project's design will begin. City staff, ODOT, and the selected Consultant are scheduled to hold a meeting on January 16, 2026 to clarify the scope of work for the project.

Update:

No update.

Engineering Projects Status Report

February 12, 2026

WASTEWATER CAPITAL PROJECTS

106th & Elm Street Lift Station and Forcemain: Conducted coordination meeting with US Water to confirm design details of the new lift station, began finalizing design details for the lift station, revising the downstream force main alignment, and beginning to look at the design for the upstream portion of the forcemain. Design has halted until the future of the Ripken Experience is determined. Consultant is to resume design work after confirmation of a straight roadway alignment for W. 106th St. was received. Consultant is working to finalize plans for the lifts station and working on ROW plans for the new alignment of the forcemain. Consultant is working to provide an updated cost estimate for the lift station and the forcemain. City staff met with the design consultant and have requested the wet and dry flows being received by the existing station be reevaluated. Once this evaluation has been completed it will be determined if a new station and force main need to be built or if existing station can be upgraded to convey the flows. City staff and the Consultant have an update meeting scheduled for November 19, 2025.

Update:

No update.

Victoria Pond Lift Station and Forcemain:

Consultant has narrowed alignment recommendations for tying into the 106th & Elm Lift Station. Staff has reviewed the specifications and the 90% plans and has provided comments to the consultant. Design has halted until the future of the Ripken Experience is determined. Consultant is to resume design work after confirmation of a straight roadway alignment for W. 106th St. was received. Design consultant is working to complete 100% plans for this project within the next couple of months.

Update:

No update.

WATERLINE CAPITAL PROJECTS

121ST Street Waterline Extension:

The additional waterline alignment area has been surveyed and the preliminary plans will be submitted for review mid-June. Staff provided review comments on the latest plan submittal last week. The plans have been accepted for this project and a cost estimate for each phase has been provided. City staff is working to complete bid documents to let this project during the third or fourth quarter of this calendar year. City has requested an updated set of plans and cost estimate to include with the bid document from the Consultant. Consultant has provided the updated plans and submitted the appropriate permit to ODOT for approval before City staff moves forward with advertising this project. Consultant is completing ODOT's permitting process for this project. Consultant has submitted the permit to ODOT for review and is currently waiting for a response from ODOT.

Update:

City Staff is submitting the ODEQ permits for this project, and the consultant is addressing the comments from ONG. The ODOT permits have been approved for this project.

Jenks Pedestrian Bridge Waterline Replacement:

Consultant has provided a cost estimate. Specifications have been provided and accepted by staff. Some minor changes to the plans and cost estimate must be made by the consultant. Consultant has provided updated plans to city staff.

Update:

No update.

Water System Master Plan and Model:

City staff selected engineering firms by an RFQ process to provide RFPs to create a water system master plan and model the water system. Over the upcoming weeks City staff will review the RFPs and hold interviews with the firms to select a consultant for this project.

Update:

City Staff have selected an engineering firm through RFP interviews and have begun contract negotiations.

DRAINAGE CAPITAL PROJECTS

Arkansas Riverbank Stabilization Design: Staff have contracted with HISINC to provide detailed design drawings and bid documents for reinforcing the west bank of the Arkansas River between the Main Street and Creek Turnpike Bridges. Consultant has provided various bank stabilization methods with anticipated costs and land reclamation amounts. Consultant waiting on staff to provide decision on stabilization method to design.

Update:

No update.

CITY FACILITY PROJECTS

Fire Station #1: The Earth Change Permit and the Floodplain Development Permit have been approved for this project. City Council awarded the construction contract to Voy Construction, LLC (Broken Arrow, OK). Contractor is continuing to regrade the parking lot subgrade to prepare for installing asphalt. Contractor is working to install the parking lot light poles. Contractor is scheduled to install the PPE washer and dryer October 10, 2025. Contractor is working to install the remaining sod and landscaping. Contractor has installed approximately 60% of the irrigation system. Contractor is in the process of completing the final painting of the interior of the building. Contractor has installed interior wall panels, metal canopy over the bay and front doors, completed all building and sidewalk caulking to date, shower enclosures, doors, and flooring on the second floor. Contractor has completed the pavement striping of the parking lots. Contractor is continuing to complete the installation of electrical wiring, interior paint, and exterior site work. City staff, the design Consultant, and the Contractor held a final walkthrough of the project on December 10, 2025 and a punchlist is being created by the design Consultant for the Contractor to complete/address. Contractor has completed the painting of the vehicle bay doors. Contractor is continuing to complete the punchlist. It is expected the Fire Department will begin operating out of the new station on January 26, 2026. The intersection of "B" and Elm has been restriped to accommodate the needs for the Fire Department.

Update:

Contractor has completed approximately 65% of the punch list and the Fire Department was able to begin operating out of the new station on Friday January 23, 2026.

Engineering Projects Status Report

February 12, 2026

CITY FACILITY PROJECT (continued)

<p>JAAC Design: An agreement renewal for the JAAC design work was submitted to JPWA for approval June 6th,2023. The consultant to produce design drawings by June 2024. The agreement renewal for the JAAC design work is on the June 18 JPWA Agenda for approval. The JAAC design has been completed and City staff has submitted an application to INCOG for CDBG funds to put towards the cost of construction for the JAAC.</p>
<p>Update: No update.</p>

OTHER PROJECTS

<p>Tulsa County Projects:</p> <ul style="list-style-type: none"> • 91st Street (Franklin St. to Elwood Ave.) project – see below. • 121st Street (Elwood Ave. to US HW 75) project – see below.
<p>Update: Right-of-way acquisition has begun on both projects. Based on the funding schedule for these projects, the 91st Street project is scheduled for construction in 2026 and the 121st Street project is scheduled for construction in 2027.</p>

<p>Commercial Projects</p>
<p>Riverfront South Centre Apartments (STUCO) (“K” Pl. & 5th St.): Contractor is installing the east half of the waterline. Contractor has connected the forcemain from the lift station to the existing pipe on the south side of E. “K” Pl.</p>
<p>Eighteen Acre Ranch (116th St. & Elwood): Punchlist as been completed. Contractor is preparing the maintenance bond required for infrastructure acceptance.</p>
