CITIZEN COMMENTS

BUSINESS

Official action can only be taken on items which appear on the agenda. The City Council may adopt, approve, ratify, deny, defer, recommend, amend, strike, or continue any agenda item (except for Item 1).

1. Consideration and appropriate action relating to a request for approval of the Consent Agenda. (All matters listed under "Consent" are considered by the City Council to be routine and will be enacted by one motion. Any Councilor may, however, remove an item from the Consent Agenda by request. A motion to adopt the Consent Agenda is non-debatable.)
 - A. Approve minutes of the regular meeting held on July 21, 2026.
 - B. Monthly Reports
 - C. Approve a proposal for accounting consultation services from Crawford & Associates for the Fiscal year ending June 30, 2026, for the city of Jenks and its related entities for an estimated amount to \$65,000, to be paid from the FY 2027 budgets.
 - D. Approve renewal of Professional Transportation Services Contract with the Metropolitan Tulsa transit Authority for the amount of \$37,402.
 - E. Approve certification of cost in the amount of \$375 for Code Enforcement Abatement on property owned by STRUCTURECRETE LLC at 9340 S Elwood Ave, and authorize the City Clerk to demand payment within (30) days after notice to the property owner, and authorizing the filing of a lien with the Tulsa County Treasurer's office in the event of failure to pay the same.
 - F. Approve certification of cost in the amount of \$375 for Code Enforcement Abatement on property owned by STRUCTURECRETE LLC at 9402 S Elwood Ave, and authorize the City Clerk to demand payment within (30) days after notice to the property owner, and authorizing the filing of a lien with the Tulsa County Treasurer's office in the event of failure to pay the same.
 - G. Approve certification of cost in the amount of \$375 for Code Enforcement Abatement on property owned by LYG HOLDINGS LLC at 1222 W "C" ST, and

authorize the City Clerk to demand payment within (30) days after notice to the property owner, and authorizing the filing of a lien with the Tulsa County Treasurer's office in the event of failure to pay the same.

- H. Note in the minutes DEQ Permit No. WL000072260590 for the construction of 2,864 linear feet of six (6) inch PVC, 2,639 linear feet of eight (8) inch PVC potable water line and all appurtenances to serve the Bentley Ranch Subdivision, Tulsa County, Oklahoma.
 - I. Note in the minutes DEQ Permit No. SL000072260589 for the construction of 7,331 linear feet of eight (8) inch PVC sanitary sewer line and all appurtenances to serve the Bentley Ranch Subdivision, Tulsa County, Oklahoma.
 - J. Note in the minutes DEQ Permit No. SL000072260333 for the construction of 1,427 linear feet of eight (8) inch PVC sanitary sewer line and all appurtenances to serve the Belvedere Reserve, Tulsa County, Oklahoma.
 - K. Note in the minutes DEQ Permit No. WL000072260334 for the construction of 1,533 linear feet of six (6) inch PVC potable water line and all appurtenances to serve the Belvedere Reserve, Tulsa County, Oklahoma.
 - L. Note in the minutes DEQ Permit No. SL000072260554 for the construction of 7,173 linear feet of eight (8) inch PVC sanitary sewer line and all appurtenances to serve the Kimberly Estates Addition, Tulsa County, Oklahoma.
 - M. Note in the minutes DEQ Permit No. WL000072260555 for the construction of 4,103 linear feet of eight (8) inch PVC, 2,802 linear feet of six (6) inch PVC, 741 linear feet of four (4) inch PVC potable water line and all appurtenances to serve the Kimberly Estates Addition, Tulsa County, Oklahoma.
 - N. Note in the minutes DEQ Permit No. SL000072260558 for the construction of 5,961 linear feet of eight (8) inch PVC sanitary sewer line and all appurtenances to serve the Frazier Falls Subdivision, Tulsa County, Oklahoma.
 - O. Note in the minutes DEQ Permit No. WL000072260559 for the construction of 1,126 linear feet of twelve (12) inch PVC, 3,228 linear feet of eight (8) inch PVC, 2,544 linear feet of six (6) inch PVC, 515 linear feet of four (4) inch PVC potable water line and all appurtenances to serve the Frazier Falls Subdivision, Tulsa County, Oklahoma.
- 2. Consideration and appropriate action relating to items removed from the Consent Agenda
 - 3. Purchase of River Raptor XTR Rescue Boat for the Fire Department in the amount of \$89,848.49. Funding included in the FY 26-27 Capital Budget.

OTHER BUSINESS

- 1. City Manager's Report

Elm Street Widening Status

(111th to 121st Street)

July 20, 2026 - July 24, 2026

Contractor: Paragon Contractors, Inc. (Tulsa, OK)

Inspection: Standard Engineering & Testing (Oklahoma City, OK)

Project Schedule:

Construction Started: January 2025

Projected Completion: February 2027

January 2025

February 2027

Contract Time Completed

Time Remaining: 7 Months

Project Cost:

Original Bid: \$9,117,017.68

Change Orders: \$47,941.76

Total: \$9,164,959.44

Billed To Date: \$4,389,210.29

\$0.00

\$9,164,959.44

Contract Cost Completed

Cost Remaining: \$4,775,749.15

Work Completed Between July 20, 2026 - July 24, 2026

- Begun excavation for the widening of the east side of Elm Street and for the pedestrian trail on the east side.
- Installed and poured ADA compliant sidewalk at 117th St and south of The Goddard School.
- Sealed newly installed sidewalks.
- Continued excavation and placement of Terratex fabric and aggregate base for the widening of the east side of Elm Street.
- Placement of S3 asphalt on west side of Island #2.

July 20, 2026 - July 24, 2026 Construction Images:

Elm Street Widening (Eastside) - Placement of TerraTex fabric for subgrade stabilization and installation of aggregate base for roadway. Aggregate base is tested for compaction and verification of grade prior to the placement of asphalt.

Framing of sidewalk – Framing of ADA compliant sidewalk on the westside of Elm Street to facilitate the movement of pedestrian traffic.

July 20, 2026 - July 24, 2026 Construction Images:

Island #2 (Westside) - Placement of asphalt to the west of Island #2.

This asphalt placement was necessary to move traffic off the gravel road and onto a paved road so that the east widening could continue.

Work Expected In August 2026:

- Continued excavation and placement of Terratex fabric and aggregate base for the widening of the east side of Elm Street.
- Excavation and placement of aggregate for the installation of the roadway on the east side of Island #2.
- Frame and pour curb and gutter for east side of Island #2.
- Frame and pour curb and gutter for eastside widening of Elm Street.
- Excavation and aggregate base installation of pedestrian trail.
- Place asphalt over remaining pipe crossings.
- Start storm installation on the east side.
- Continue on waterline installation

August 2026 Expected Traffic Impacts:

- Traffic was shifted off the gravel shoo-fly on July 25, 2026 and onto pavement on the west side of the island near 116th St.
- Limited visibility through the work zone due to the placement of aggregate base for widening.
- Possible stoppage of traffic for the entering and exiting of construction equipment.
- Continued max speed of 25mph through the work zone to accommodate the movement of equipment and working personnel.
- Periodic stoppage of traffic due to aggregate base deliveries.
- Reduced traffic to one lane with flaggers during asphalt placement at pipe crossings.

ODOT Project : 121st Street Trail Status

(Elm - Elwood)

July 20, 2026 - July 24, 2026

Contractor: Daris Contractors, LLC

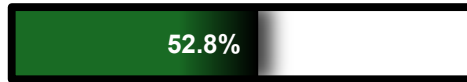

Inspection: Tetra Tech, (Tulsa, OK)

Project Schedule:

Construction Started: May 2026

Projected Completion: October 2026

May 2026

October 2026

Contract Time Completed

Time Remaining: 3 Months

Project Cost:

Original Bid: \$838,180.00

Change Orders: \$0.00

Total: \$838,180.00

Billed To Date: \$138,299.70

\$0.00

\$838,180.00

Contract Cost Completed

Cost Remaining: \$699,880.30

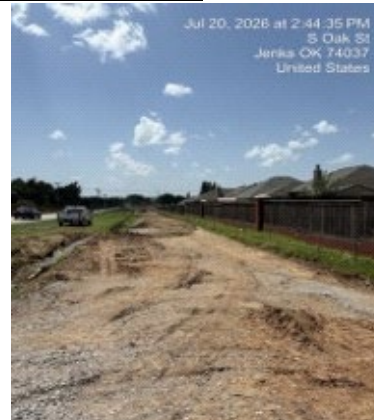

Work Completed Between July 20, 2026 - July 24, 2026:

- Completed subgrade preparation along the trail corridor from S. Elwood Ave. to S. Forest Pl.
- Installed 15-inch storm drainage pipe along Oak Street.
- Removed existing curb and gutter at multiple locations.
- Poured concrete sidewalk at S. Oak St.
- Installed ADA detectable warning panels at new pedestrian crossings.
- Placed concrete trail pavement between Fire Station 2 entry and S. Mulberry Ct.
- Removed existing skateboarding sign near Fire Station 2 entry.

July 20, 2026 - July 24, 2026 Construction Images:

West connection to existing sidewalk at S. Oak St.

Subgrade preparation between S. Elwood Ave. and S. Oak St.

July 20, 2026 - July 24, 2026 Construction Images:

East connection to existing sidewalk at S. Oak St.

Work Expected In August 2026:

- Begin install approximately 5,000–7,000 LF of trail curb.
- Complete trail curb installation from S. Elwood Ave. to S. Mulberry Ct. during the first week of August.
- Expects asphalt paving operations to begin during the second or third week of August.
- Plans to complete pedestrian ramps and install detectable warning (tactile dome) panels.
- Plans to install drainage pipe at the creek crossing near the fire station toward the end of August.

August 2026 Expected Traffic Impacts:

- Periodic lane closures near active work zones.
- Temporary pedestrian detours around sidewalk and trail construction areas.
- Short-term traffic impacts during concrete placement and drainage operations.
- Reduced speed limit within the project corridor from S. Elwood Ave. to S. Elm St.

Memorandum

To: Mayor and Members of Council

From: Micheal Sanchez, Interim Finance Director

Date: August 04, 2026

Re: **Engagement for Auditors for the FY 2025-2026 Annual Audit**

The engagement letter that follows this memo is for Fiscal Year 2026-2027. Crawford & Associates (“Crawford”) will help with the preparation of financials for the upcoming annual audit for Fiscal Year 2025-2026. They have worked with the City and its related entities for several years, and the staff is very pleased with the quality of their work.

The estimate of the costs for the services will be \$65,000.00, which is no change from the previous year. This will include providing audit preparation services for all entities and for stand-alone financials for the Jenks Aquarium Authority. Finance staff are meeting with Crawford & Associates soon to begin gathering information and preparing for the audit.

Staff recommends the approval of Crawford & Associates audit preparation services proposal for Fiscal Year 2026-2027 for the City and its related entities in an estimated amount of \$65,000.00 to be paid within the existing FY2027 budgets.

May 29, 2026

Mr. Christopher Shrout, City Manager
City of Jenks
PO Box 2007
Jenks, OK 74037

Dear Mr. Shrout:

Crawford & Associates, P.C. is pleased that the City of Jenks (the City) continues to express its confidence in our firm and our state and local government expertise. We look forward to a continued long and successful relationship as an integral financial management resource to the City of Jenks management and governing body.

We are prepared to provide a full range of accounting and consulting services to the City of Jenks contingent upon approval of your management and/or governing body. The purpose of this engagement letter is to identify the scope of available services from Crawford & Associates, the specific initial services requested at this time, and to confirm the terms, objectives, and limitations of our engagement services.

Scope of Services

The scope of professional services that are available and can be provided to the City of Jenks are outlined below under the heading *Scope of Available Services*. While this listing includes a range of services available from Crawford & Associates, the specific initial services requested to be provided at the current time are separately identified under the heading *Initial Services Requested*. Any additional services that are available from Crawford & Associates beyond these initially requested services can be provided upon subsequent specific request and agreement.

Scope of Available Services

- Preparation of Annual Financial Statements
- General Accounting and Advisory Assistance
- Budget Preparation and Amendment Assistance
- Capital Asset Records and Accounting Assistance
- Information Technology System Assistance
- Internal Control Policies and Procedures Assistance
- Labor Relations Consulting
- Laws and Regulations Compliance Assistance
- Investigation of Allegations or Concerns
- Tax and Other Regulatory Report Assistance

Initial Services Requested

- Preparation of Annual Financial Statements for the City's reporting entity
- Preparation of separate Annual Financial Statements for Jenks Aquarium Authority
- General Accounting and Advisory Assistance

Services Related to the Preparation of Annual Financial Statements

You have requested that we prepare the annual financial statements of the financial reporting entity of the City of Jenks, Oklahoma and the Jenks Aquarium Authority as of and for the year ended June 30, 2026. Such financial statements will include:

- a. Basic Financial Statements, including notes to the financial statements
- b. Required Supplementary Information
- c. Supplementary Information (to the extent management elects to include)
- d. Other Information (to the extent management elects to include)

Crawford & Associates' Responsibilities

The objective of our engagement is to prepare the annual financial statements in accordance with accounting principles generally accepted in the United States of America based on information provided by you. We will conduct our engagement in accordance with Statements on Standards for Accounting and Review Services (SSARs) promulgated by the Accounting and Review Services Committee of the AICPA and comply with the AICPA's Code of Professional Conduct, including the ethical principles of integrity, objectivity, professional competence, and due care.

We are not required to, and will not, verify the accuracy or completeness of the information you will provide to us for the engagement or otherwise gather evidence for the purpose of expressing an opinion or a conclusion. Accordingly, we will not express an opinion or a conclusion or provide any assurance on the financial statements.

Our engagement cannot be relied upon to identify or disclose any financial statement misstatements, including those caused by fraud or error, or to identify or disclose any wrongdoing within the entity or noncompliance with laws and regulations.

Management Responsibilities

The engagement to be performed is conducted on the basis that management acknowledges and understands that our role is to prepare financial statements in accordance with accounting principles generally accepted in the United States of America. Management has the following overall responsibilities that are fundamental to our undertaking the engagement to prepare your financial statements in accordance with SSARs:

- a. The selection of accounting principles generally accepted in the United States of America as the financial reporting framework to be applied in the preparation of the financial statements
- b. The prevention and detection of fraud
- c. To ensure that the entity complies with the laws and regulations applicable to its activities
- d. The accuracy and completeness of the records, documents, explanations, and other information, including significant judgments, you provide to us for the engagement to prepare financial statements

e. To provide us with:

- i. Documentation, and other related information that is relevant to the preparation and presentation of the financial statements,
- ii. Additional information that may be requested for the purpose of the preparation of the financial statements, and
- iii. Unrestricted access to persons within the City of Jenks Oklahoma, of whom we determine necessary to communicate.

The financial statements will not be accompanied by a report. However, you agree that the financial statements will clearly indicate that no assurance is provided on them.

Other Requested and Available Services

In conjunction with the other requested and available services (other than the preparation of the annual financial statements) as identified in the Scope of Services section of this letter, Crawford & Associates will be responsible for providing such services upon request in accordance with the applicable professional standards of the AICPA. It is anticipated that most if not all of these other services will be performed in accordance with the standards applicable to consulting services as prescribed by the AICPA.

Crawford & Associates, is not obligated to, but may report or otherwise communicate to management any recommendations, it determines necessary, resulting from the professional services provided.

Management and the governing body will be responsible for establishing the scope of our other professional services to be provided and for providing the necessary resources allocated to the work; such responsibility includes determining the nature, scope, and extent of the services to be performed, providing sufficient appropriation for the estimated cost of these services, providing overall direction and oversight for each service, and reviewing and accepting the results of the work.

Access to Working Papers and Reports

Any working papers prepared by Crawford & Associates in connection with performing the financial statement preparation and other professional services are the property of Crawford & Associates. Upon request, copies of any or all working papers and reports that we consider to be nonproprietary will be provided to management. Management may make such copies available to its external auditors and to certain regulators in the exercise of their statutory oversight responsibilities. Such copies may not be made available to any other third party without the prior written consent from Crawford & Associates.

Fees and Costs

Fees and out-of-pocket expenses for this engagement will be billed as the work progresses and payable upon receipt of our invoices. Out-of-pocket expenses include such costs incurred by Crawford & Associates in providing the services including travel, lodging, telecommunications, printing, document reproduction, and the like.

Our fees for these services will be billed at our standard hourly rates, as follows, for the individual performing such services based on the actual number of hours of work, including travel time, performed by that individual.

Standard Hourly Rates:

- Firm President \$275
- Shareholders \$190
- Senior Managers \$170
- Managers \$150
- Senior Professional Staff \$130
- Professional Staff \$90
- Clerical Staff \$60

Because Crawford & Associates has no direct control over the type and amount of services requested by the management or the governing body during the term of this engagement, nor does Crawford & Associates have direct control over the quality of your accounting system or records, potential turnover of your staff, or your staffing levels, resources, or capabilities, it is impractical for us to provide an accurate amount of hours that will be required for the services requested or a not-to-exceed limit on fees and expenses charged. We will rely on you to provide us with a copy of approved purchase orders, containing estimated fees and expenses, monitor the cumulative fees and expenses charged, and notify us if and when the cumulative amount approaches the total appropriated level estimated. You also agree to provide sufficient appropriation for all services requested prior to the services being performed. For purposes of purchase order preparation, we estimate that the fees for the services anticipated at this time, as defined in the Scope of Services section of this letter, for an estimated cost of \$65,000, unless the City requests additional services outside the scope of this agreement, or substantial changes are made to the City's reporting entity or annual activity, or turnover of key staff at the City occurs, at which we will approach management and possibly the governing body at that time about possible adjustments to our fee range. In the event we complete FY 2027 prior to the end of FY 2027, we may begin interim preparations in the spring of 2027 to facilitate a more timely issuance of FY 2027's financial statements.

The term of this engagement is a period from July 1, 2026 through June 30, 2027. Crawford & Associates may perform additional services upon receipt of a formal request from management or the governing body with terms and conditions that are acceptable to both parties.

The agreements and undertakings contained in this engagement letter, shall survive the completion or termination of this engagement.

Acceptance

Please indicate your acceptance of this agreement by signing in the space provided below and returning this engagement letter to us. A duplicate copy of this engagement letter is provided for your records. We look forward to continuing our professional relationship with the City of Jenks.

Respectfully submitted and agreed to by,

Frank Crawford
Crawford and Associates, P.C.

Accepted and agreed to for the City of Jenks:

Title: _____

Date: _____

PROFESSIONAL TRANSPORTATION SERVICES CONTRACT

The Metropolitan Tulsa Transit Authority, 510 South Rockford Avenue, Tulsa, Oklahoma 74120, a public trust organized and existing under the laws of the State of Oklahoma ("MetroLink Tulsa") and the City of Jenks, Oklahoma, Post Office Box 2007, Jenks, Oklahoma 74037-2007, a municipal corporation ("City") hereby enter into this agreement effective July 1, 2026.

WITNESSETH:

WHEREAS there exists in the City a need to provide public transportation services to enable the citizens of the City to access employment, health care, educational services, social services, recreation, and other opportunities and amenities; and,

WHEREAS the City desires to provide the needed transportation services to the extent feasible given existing financial constraints; and,

WHEREAS, MetroLink Tulsa, an experienced provider of public transportation services in the metropolitan Tulsa region, wishes to provide the needed services for the City.

NOW, THEREFORE, in consideration of the mutual agreements herein contained, MetroLink Tulsa and the City agree as follows:

Description of Service:

MetroLink Tulsa hereby agrees to provide and maintain public transportation service and ADA paratransit service for and within the City. This system shall operate each weekday and Saturday during agreed upon hours, exclusive of holidays, for that period during which this agreement shall remain in effect.

The system implemented by MetroLink Tulsa shall be one consisting of the number of available vehicles requested by the City operating in a manner as presented to and approved by the Jenks City Council and transmitted and approved by MetroLink Tulsa. It is expressly understood that the number of requested vehicles provided is dependent upon the number available for this purpose within the MetroLink Tulsa fleet, as determined solely by MetroLink Tulsa.

MetroLink Tulsa shall not be obligated to accept a number of riders on any vehicle in excess of the number which is the sum of the number of passengers which can be seated on the vehicles plus the number which is up to twenty percent (20%) standees based upon the seating capacity of the vehicle.

The City shall advise MetroLink Tulsa of the desired service area, routes and stops (subject to the joint approval of the City and MetroLink Tulsa for safe and efficient public transportation operation).

From July 1, 2026 to June 30, 2027 MetroLink Tulsa will operate in the City of Jenks between Monday through Saturday from the times of 0645-1839 daily. For a total of 306 service days with 1 bus. This can be changed upon ridership needs or The City request per a contract amendment.

MetroLink Tulsa hereby agrees to provide and maintain public transportation service and ADA paratransit service for and within the City. This system shall operate each weekday and Saturday during agreed upon hours, exclusive of holidays, for that period during which this agreement shall remain in effect.

Cost of Service:

The city shall provide thirty-seven thousand seven hundred and two dollars. (\$37,402) annual subsidy to MetroLink Tulsa for operation of the bus service and Lift Program service within the City. The subsidy shall be paid to MetroLink Tulsa in monthly payments (3,116.83), with payments due MetroLink Tulsa thirty days from receipt of invoice. Each invoice is sent on or about the 1st of each month for current month collection.

Fares:

Fares charged and collected by MetroLink Tulsa shall be established by MetroLink Tulsa in cooperation with the City of Tulsa.

Term of Agreement:

This Agreement is effective as of the 1st day of July 2026 and shall continue through June 30, 2027.

Termination:

Either party may terminate this agreement by giving the other party at least thirty (30) days' written notice of its intention to terminate.

Excusable Default:

MetroLink Tulsa shall not be held in default of this Agreement if it is prevented from performing by conditions entirely beyond its control, such as, but not limited to, acts of God, strikes, war or other emergencies, including then existing road conditions making performance impossible or illegal.

Integration:

It is understood and agreed that this Agreement contains all the covenants, stipulations, and provisions agreed to by the parties and neither party is nor shall be bound by any statement or representation not in conformity with this Agreement. This Agreement may not be modified except in writing, signed by both parties.

Law Controlling:

It is the understanding of MetroLink Tulsa and the City that this Agreement shall be governed by the laws of the State of Oklahoma and by the laws of the United States applicable in whole or in part to public transportation systems. It is further understood and agreed that any such applicable law shall be deemed to be part of this Agreement, binding upon the parties hereto as if such law were set forth fully herein.

MetroLink Tulsa shall hold the City harmless from any liabilities, obligations, losses, damages, penalties, claims, actions, costs, and negligence of whatsoever kind caused by MetroLink Tulsa.

The City shall hold MetroLink Tulsa and the City of Tulsa harmless from any liabilities, obligations, losses, damages, penalties, claims, actions, costs, and negligence of whatsoever kind caused by the City.

IN WITNESS WHEREOF, the parties have executed this Agreement effective as of the day and year first mentioned.

1100 Riverwalk Ter., Ste. 240
Jenks, OK 74037

Re: **FINDING FROM ADMISISTRATIVE HEARING**—Tall Grass and Weeds at 9340 S. Elwood Ave., Jenks, Oklahoma

Official notice is hereby given of the decision and order of the Code Enforcement Administrative Hearing Board from the hearing held on June 18, 2026 to determine whether the tall grass and weeds on the property at 9340 S. Elwood Ave., Jenks, Oklahoma are by definition in violation and if action is required to eliminate this nuisance.

Notice of said hearing was sent via Certified Mail on June 8, 2026 to you at Structurecrete LLC, 1100 Riverwalk Ter., Ste. 40, Jenks, Oklahoma and the property was posted on June 7, 2026.

The Administrative Hearing Board made a unanimous finding that the property is still in violation of City Code for the tall grass and weeds and hereby issues an order for immediate abatement of the tall grass and weeds.

The City will cause the clean-up and removal of the tall grass and weeds, or contract with a third party for the same, to comply with the issued order since you have been non-responsive. Upon completion of the work, the City shall determine the actual cost of the work performed, and shall direct the City Clerk to forward a statement and demand payment thereof by mail to the owner of the property at the address shown by the current tax rolls in the office of the treasurer of Tulsa County. If the cost of the work performed is not paid within thirty (30) days from the date of mailing the statement and demand for payment, the City Clerk shall forward a certified statement of the amount of such cost to the County Treasurer to be levied upon the property and to be collected by the County Treasurer in the manner prescribed by the law of the State of Oklahoma as specified in Article 13-1-21 of the Jenks City Code.

11 O.S. 22-111 (B)

B. If a notice is given by a municipal governing body to a property owner ordering the property within the municipal limits to be cleaned of trash and weeds or grass to be cut or mowed in accordance with the procedures provided for in subsection A of this section, any subsequent accumulations of trash or excessive weed or grass growth on the property occurring within a six-month period may be declared to be a nuisance and may be summarily abated without further prior notice to the property owner.

From the effective date of the mailing of this order the property owner shall have ten (10) days in which to file an appeal of the terms of the order with the City Clerk requesting a hearing before the City Council, whose determination shall be final.

Nuisance Violation Hearing

Name: Narayan Naik - present

General Location: 1223 W. Main St.

RE: CE-26-040

Violation: Tall Grass and Weeds, Trash and Debris

(All letters sent to the property address are returned unclaimed. A redelivery has been scheduled for the Oklahoma City address listed on the Assessor's website. – fence laying on this side of the property. Has tall grass and weeds in areas, but they did mow.

Mr. Naik said he moved it today, but asked how he knows if it is his fence or his neighbors fence. Tanner explained how if it is between 2 properties it could be deemed as a shared fence. Since it fell into his yard, it now is deemed trash and debris in his yard. Tanner suggested asking his neighbor if he wants the fence back to repair the fence and if not he could just dispose of the section of fence that is in his yard.

Melissa said if you just get some roundup and sprayed it on the back fenceline, that should be sufficient. He confirmed that it is his responsibility to take care of the back fenceline too. Melissa confirmed that it is.

He said his buddy mowed his yard and the others around it. And that all last summer the other yards had tall weeds and how come they didn't get complaints. Malea said we go on a complaint basis, we don't go out looking for it, so we would have received a complaint. And she also confirmed that we did get a complaint on his neighbors last year and that is why they had to get the trash and debris off of the shared fence. He said that was his bad since his buddy mowed that yard.

He then asked if he can know who made the complaint...Malea told him it was from the insurance agency next door to him. She said another thing to consider is that tall grass hides field mice and other critters and so everyone needs to keep it down so we aren't causing issues for neighbors. He said he understood. Melissa said he was right on Main Street so he is going to get lots of eyes on his place and a lot of attention there. He again said that he understood.

He asked if there was a way to compromise on one part, he said along the back fence there was a lot of poison ivy and asked if he could leave it. Melissa said you want to have poison ivy? Tanner said no, you are not allowed to have poison ivy. Tanner said to get some chemical weed killer and kill it out of there. Mr. Naik asked if the City subsidized that. Tanner said no, it was the responsibility of the homeowner. Mr. Naik confirmed that he should just kill everything. Tanner agreed. Melissa said to just get it cleaned up.

Tanner asked how long he would need to take care of everything discussed today. He said his buddy already mowed part of it, so he could get him to take care of it all next Tuesday or Wednesday. Mr. Naik

also pointed out that he doesn't reside in the house much in the summer, so he is gone a lot. Tanner said we have other citizens that are like that too, so he could get a service that would take care of it on a weekly basis so it was done whether he was here or not.

Melissa asked for a motion for 30 or 15 days to take care of it.

Motion – Tanner Rush

Makes a motion that as it is now, the property is a nuisance due to the items listed today, and that we will give the property owner 15 days to remediate before the city abates.

Mr. Naik asked if he should just drop the fenceline? Melissa asked for clarification, 'Drop it?'

Mr. Naik said pointed the fenceline on the second picture and said so you guys just want me to drop the fenceline there and that's it? Tanner clarified, 'Chop it? Yes.' Mr. Naik nodded yes and said ok.

Melissa said to go to the 1st pic, it looked ok since he had mowed it. He said he go the bush down too.

Marcae' asked if he owned the property. He said yes, I own quite a few. But I am about to sell it.

Tanner said I made a motion.

Motion 2nd – Mike O'Brien

He asked what would have happened if he would have missed this meeting. Melissa said we probably would have voted to abate it then we would have cleaned it up then charged you, or put a lien on it.

VOTE:

Unanimous Vote as Yes

Melissa said you have 15 days (July 3rd) to get those weeds cleaned up and that fenceline cleaned up and then continue to mow on a regular basis, cause every time it rains the grass grows higher so lets just keep that up ok. Mr. Naik said 'sounds good'.

He then asked how tall can your grass be before you get a fine.

Melissa answered 12".

Marcae laughed and said don't let it get to 12". Everyone laughed.

(Skip ahead to number 5 since Mr. Wright is present.)

Nuisance Violation Hearing

Name: Structurecrete LLC – not present

General Location: 9340 S. Elwood Ave.

RE: CE-26-041

Violation: Tall Grass and Weeds

Initial letter returned Unclaimed. Hearing letter delivery attempt has been made, but no orders from the recipient have been made for redelivery. Nothing has been done to this property. Malea said this is the same owner as Smithco. (physically adjacent to the next case) We abated the properties last year for tall grass and weeds and never got a response from them.

Tanner asked about the trash and debris. Malea confirmed that there is trash and debris there, but it is covered by the grass and weeds so it is out of sight.

Motion – Tanner Rush

Motion to declare this property as a nuisance for tall grass and weeds (he started to include a nuisance for the trash and debris but Malea stopped him and clarified that we were only dealing with the tall grass and weeds at this hearing.) Tanner corrected himself and only addressed the tall grass and weeds as the nuisance.

Motion 2nd – Marcae' Hilton

VOTE:

Unanimous Vote as Yes

Motion – Tanner Rush

Makes a motion that because this property is a nuisance for tall grass and weeds to the health benefit and welfare of the community and creates a fire hazard for the other nearby properties, he moves that the property be benefitted by the removal of the conditions found and an order of immediate abatement.

Motion 2nd – Marcae Hilton

Nuisance Violation Hearing

Name: Keri D. Sullivan – not present

General Location: 401 N. Koa St.

RE: CE-26-043

Violation: Tall Grass and Weeds

Initial letter returned Unclaimed. Hearing letter delivery attempt was made. Recipient has not left orders for redelivery. We dealt with this property last year as well and abated.

As of this morning, the main areas of grass had been mowed, but there are large clumps of tall grass and weeds where they did not weed eat by the house or around the tree (in the front and back).

Melissa asked if someone lived there. Malea said yes.

Tanner asked if the overgrowth is still on the house. She confirmed it was.

Marcae asked if we gave them more time, would they get another letter that said clean this up by this date? Malea said yes, but she's not sure if they would claim the letter at this point.

Motion – Marcae' Hilton

Marcae moves that we find this property a nuisance and that we give them 2 weeks to clean up the tall grass and weeds, and that if in 2 weeks, if this is not cleaned up and maintained, that we abate at that time. The date in 2 weeks is July 2nd.

Motion 2nd – Tanner Rush

VOTE:

Unanimous Vote of Yes

(Skip to #6 since we already completed #5)

#5

Nuisance Violation Hearing

Name: Kevin and Samantha Sue Wright - Mr. Wright is present

General Location: 322 N. Koa St.

RE: CE-26-044

Violation: Vehicles on Grass

Initial letter was returned Unclaimed. Hearing letter was claimed.

Mr. Wright said the issue was his 2, well, 3 seadoos. He said the 2 that were parked on the grass are going away because they don't even work, so he's getting rid of them.

Malea said they were on the concrete today, but now there is a jeep parked in the grass, possibly to keep someone from taking a trailer. He said no, the jeep was parked in the grass so he could get in and out of the driveway since he had flat tires and he was having to air them up...he changed the topic and said it was a lot.

He said he would get rid of the seadoos if they are that much of a problem, then he said I can't park anything in the grass? Malea and Melissa both said No. He was surprised and said there is stuff parked in the grass all over his whole neighborhood. Malea said we have multiple complaints in the area. He said his place is the nicest looking place in the whole neighborhood.

Melissa asked if there was room to park them just inside of his back gate where they would be out of view. He said yes, she said just to pull them there and that should be good. He said he asked and he was told he couldn't do that. Malea said the first letter that wasn't claimed, told him that he could do that. He said, oh, ok. He said he would have moved them the night before but he was tired.

Motion – Tanner Rush

Make a motion to dismiss this case on the basis of the seadoos being removed from public view.

Motion 2nd – Mike O'Brien

Vote:

Unanimous Vote as Yes

(Return to case #2 as no other citizen's are present for today's hearing.)

#6

Nuisance Violation Hearing

Name: LYG Holdings LLC – not present

General Location: 1222 W. C St.

RE: CE-26-046

Violation: Tall Grass and Weeds

All letters get left with an individual at the UPS Store at the mailing address – we are not sure if the property owner has seen the letters. Property has never been mowed by owner, nor has there been any contact from the owner. The neighbors have taken it upon themselves and has been mowing the property to keep it under control. The neighbors have tried to contact the owners as well to clean it up but can't get in touch with them. The neighbors have put weed killer along the fences to try and keep it under control.

This property has always been vacant. No one has lived there since they bought it.

Melissa asked if we put a lien on it from the last time we abated it. Malea said she didn't know, but this would be the 2nd year that we have abated this property.

Tanner asked when we purchased the property. The assessor's site says it changed ownership after probate in 2024, like maybe after someone died.

The property looks secured.

Motion – Marcae' Hilton

Motion to declare this property as a nuisance per city ordinance of 13-1-12 and 13-1-13, for the accumulation of tall grass and weeds and to the health benefit and welfare of the community and she moves that the property be abated immediately and that the property continue to be abated as needed, placing a lien every time we abate.

Motion 2nd – Mike O'Brien

VOTE:

Unanimous Vote as Yes

#7

Nuisance Violation Hearing

Name: Carol Lynn Ramey – not present

General Location: 1230 W. C St.

RE: CE-26-047

Violation: Tall Grass and Weeds, Trash and Debris

Initial letter was returned Unclaimed. Hearing letter was delivered.

Malea talked to Troy Ramey today. He is the one who lives there. He was in the hospital last night after having a stroke and he is back at the DR today with blood pressure issues. He is having his sons help him clean this up since he is having health issues right now. And he is asking for more time. One of the trailers in the photo is gone, the other one has been somewhat cleaned out, so he has made some progress.

Malea said she would talk to them to make sure they clean up all the trash and debris in the back as well as the front.

Malea said they should be able to clean it all up in 30 days.

Motion – Tanner Rush

Tanner moves that there are several nuisances at this property, to include the loaded trailers, the accumulation of trash and debris and the tall grass and weeds, so he moves that the property would be benefitted by the removal of the conditions found, however that we give the owners 45 days more time to clean up these issues before the city would consider coming back for an order of abatement.

Motion 2nd – Mike O'Brien

VOTE:

Unanimous Vote of Yes

45 days = August 3rd

#8

Nuisance Violation Hearing

Name: Viktor Lempert – not present

General Location: 2824 W. G St.

RE: CE-26-056

Violation: ~~Vehicles on Grass~~

Scrivner's error – this violation is actually for Grass and Weeds, and Trash and Debris

2nd year we have dealt with this property, in Staplehurst. The house burned. This fellow bought it and it gets grown up. Now there is a pile of brush... Melissa pointed out that this is labeled as Vehicles on Grass. Malea confirmed that that is a scrivener's error, and that on the letter that was sent to the owner, the violation was listed correctly.

Malea said today's pics reveal that the covered pile of stuff on the slab is actually a now half covered pile of dirt and grass clippings; so there is that and still tree clippings, and tall grass and weeds.

A neighbor has mowed along their fenceline all the way up to the driveway area. But the back of the lot is still really tall, and the south side is still tall.

They have never responded to our mailings. They aren't claimed. Their address changed this year, and there is no forwarding address. One was returned with no forwarding address. And another was marked on the UPS deliver site as undeliverable-vacant lot.

Melissa asked if we could locate an address or owner of an LLC. Tanner said we could try.

Malea said she cross referenced the name and addresses on the assessor site to get the second address, but didn't have any luck at that address. Melissa said it was ultimately the owners' responsibility to keep up with their properties so let's just make a motion.

Motion – Tanner Rush

Making a motion that the conditions on this property constitute a nuisance for the accumulations of tall grass and weeds and trash and debris, and it is detrimental to the health and safety and the welfare of the community and that the property would benefit from the immediate removal of all conditions found, trash and debris, and tall grass and weeds, and that the city should pursue that as an immediate abatement. (the property will continue to be monitored for the next 6 months automatically)

Motion 2nd – Mike O'Brien

VOTE:

Unanimous Vote of Yes

#9

Nuisance Violation Hearing

Name: Farabough Homes LLC – not present

General Location: 604 E. 126th St. S..

RE: CE-26-058

Violation: Tall Grass and Weeds

First letter returned Unclaimed. Hearing letter delivery attempt was made, but recipient has not left instructions for redelivery.

There is a house being built on lot 604. Owners say builder is responsible for mowing around their own equipment. It looks like the lot has been mowed recently but Malea would like to leave this one open to monitor it since she is not sure if the builder or the construction company mowed the lot.

Motion – Tanner Rush

Makes a motion to continue this one until next months hearing so we can get an update on the current conditions.

Motion 2nd – Mike O’Brien

VOTE:

Unanimous Vote of Yes

Melissa asked if the staff had any other correspondence to discuss.

There was none.

ADJOURNMENT

Motion – Tanner Rush

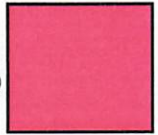

With no further violations nor hearings listed, Tanner makes a motion to adjourn the meeting.

Motion 2nd - Mike O’Brien

Melissa asked for a motion for 30 or 15 days to take care of it.

Motion – Tanner Rush

Makes a motion that as it is now, the property is a nuisance due to the items listed today, and that we will give the property owner 15 days to remediate before the city abates.

Mr. Naik asked if he should just drop the fenceline? Melissa asked for clarification, 'Drop it?'

Mr. Naik said pointed the fenceline on the second picture and said so you guys just want me to drop the fenceline there and that's it? Tanner clarified, 'Chop it? Yes.' Mr. Naik nodded yes and said ok.

Melissa said to go to the 1st pic, it looked ok since he had mowed it. He said he go the bush down too.

Marcae' asked if he owned the property. He said yes, I own quite a few. But I am about to sell it.

Tanner said I made a motion.

Motion 2nd – Mike O'Brien

He asked what would have happened if he would have missed this meeting. Melissa said we probably would have voted to abate it then we would have cleaned it up then charged you, or put a lien on it.

VOTE:

Unanimous Vote as Yes

Melissa said you have 15 days (July 3rd) to get those weeds cleaned up and that fenceline cleaned up and then continue to mow on a regular basis, cause every time it rains the grass grows higher so lets just keep that up ok. Mr. Naik said 'sounds good'.

He then asked how tall can your grass be before you get a fine.

Melissa answered 12".

Marcae laughed and said don't let it get to 12". Everyone laughed.

RE: CE-26-043

Violation: Tall Grass and Weeds

Initial letter returned Unclaimed. Hearing letter delivery attempt was made. Recipient has not left orders for redelivery. We dealt with this property last year as well and abated.

As of this morning, the main areas of grass had been mowed, but there are large clumps of tall grass and weeds where they did not weed eat by the house or around the tree (in the front and back).

Melissa asked if someone lived there. Malea said yes.

Tanner asked if the overgrowth is still on the house. She confirmed it was.

Marcae asked if we gave them more time, would they get another letter that said clean this up by this date? Malea said yes, but she's not sure if they would claim the letter at this point.

Motion – Marcae' Hilton

Marcae moves that we find this property a nuisance and that we give them 2 weeks to clean up the tall grass and weeds, and that if in 2 weeks, if this is not cleaned up and maintained, that we abate at that time. The date in 2 weeks is July 2nd.

Nuisance Violation Hearing

Name: Kevin and Samantha Sue Wright - Mr. Wright is present

General Location: 322 N. Koa St.

RE: CE-26-044

Violation: Vehicles on Grass

Initial letter was returned Unclaimed. Hearing letter was claimed.

Mr. Wright said the issue was his 2, well, 3 seadoos. He said the 2 that were parked on the grass are going away because they don't even work, so he's getting rid of them.

Malea said they were on the concrete today, but now there is a jeep parked in the grass, possibly to keep someone from taking a trailer. He said no, the jeep was parked in the grass so he could get in and out of the driveway since he had flat tires and he was having to air them up...he changed the topic and said it was a lot.

He said he would get rid of the seadoos if they are that much of a problem, then he said I can't park anything in the grass? Malea and Melissa both said No. He was surprised and said there is stuff parked in the grass all over his whole neighborhood. Malea said we have multiple complaints in the area. He said his place is the nicest looking place in the whole neighborhood.

Melissa asked if there was room to park them just inside of his back gate where they would be out of view. He said yes, she said just to pull them there and that should be good. He said he asked and he was told he couldn't do that. Malea said the first letter that wasn't claimed, told him that he could do that. He said, oh, ok. He said he would have moved them the night before but he was tired.

Motion – Tanner Rush

Make a motion to dismiss this case on the basis of the seadoos being removed from public view.

Motion 2nd – Mike O'Brien

Vote:

Unanimous Vote as Yes

Nuisance Violation Hearing

Name: LYG Holdings LLC – not present

General Location: 1222 W. C St.

RE: CE-26-046

Violation: Tall Grass and Weeds

All letters get left with an individual at the UPS Store at the mailing address – we are not sure if the property owner has seen the letters. Property has never been mowed by owner, nor has there been any contact from the owner. The neighbors have taken it upon themselves and has been mowing the property to keep it under control. The neighbors have tried to contact the owners as well to clean it up but can't get in touch with them. The neighbors have put weed killer along the fences to try and keep it under control.

This property has always been vacant. No one has lived there since they bought it.

Melissa asked if we put a lien on it from the last time we abated it. Malea said she didn't know, but this would be the 2nd year that we have abated this property.

Tanner asked when we purchased the property. The assessor's site says it changed ownership after probate in 2024, like maybe after someone died.

The property looks secured.

Motion – Marcae' Hilton

Motion to declare this property as a nuisance per city ordinance of 13-1-12 and 13-1-13, for the accumulation of tall grass and weeds and to the health benefit and welfare of the community and she moves that the property be abated immediately and that the property continue to be abated as needed, placing a lien every time we abate.

Motion 2nd – Mike O'Brien

Nuisance Violation Hearing

Name: Carol Lynn Ramey – not present

General Location: 1230 W. C St.

RE: CE-26-047

Violation: Tall Grass and Weeds, Trash and Debris

Initial letter was returned Unclaimed. Hearing letter was delivered.

Malea talked to Troy Ramey today. He is the one who lives there. He was in the hospital last night after having a stroke and he is back at the DR today with blood pressure issues. He is having his sons help him clean this up since he is having health issues right now. And he is asking for more time. One of the trailers in the photo is gone, the other one has been somewhat cleaned out, so he has made some progress.

Malea said she would talk to them to make sure they clean up all the trash and debris in the back as well as the front.

Malea said they should be able to clean it all up in 30 days.

Motion – Tanner Rush

Tanner moves that there are several nuisances at this property, to include the loaded trailers, the accumulation of trash and debris and the tall grass and weeds, so he moves that the property would be benefitted by the removal of the conditions found, however that we give the owners 45 days more time to clean up these issues before the city would consider coming back for an order of abatement.

Motion 2nd – Mike O'Brien

Nuisance Violation Hearing

Name: Viktor Lempert – not present

General Location: 2824 W. G St.

RE: CE-26-056

Violation: ~~Vehicles on Grass~~

Scrivener's error – this violation is actually for Grass and Weeds, and Trash and Debris

2nd year we have dealt with this property, in Staplehurst. The house burned. This fellow bought it and it gets grown up. Now there is a pile of brush... Melissa pointed out that this is labeled as Vehicles on Grass. Malea confirmed that that is a scrivener's error, and that on the letter that was sent to the owner, the violation was listed correctly.

Malea said today's pics reveal that the covered pile of stuff on the slab is actually a now half covered pile of dirt and grass clippings; so there is that and still tree clippings, and tall grass and weeds.

A neighbor has mowed along their fenceline all the way up to the driveway area. But the back of the lot is still really tall, and the south side is still tall.

They have never responded to our mailings. They aren't claimed. Their address changed this year, and there is no forwarding address. One was returned with no forwarding address. And another was marked on the UPS deliver site as undeliverable-vacant lot.

Melissa asked if we could locate an address or owner of an LLC. Tanner said we could try.

Malea said she cross referenced the name and addresses on the assessor site to get the second address, but didn't have any luck at that address. Melissa said it was ultimately the owners' responsibility to keep up with their properties so let's just make a motion.

Motion – Tanner Rush

Making a motion that the conditions on this property constitute a nuisance for the accumulations of tall grass and weeds and trash and debris, and it is detrimental to the health and safety and the welfare of the community and that the property would benefit from the immediate removal of all conditions found, trash and debris, and tall grass and weeds, and that the city should pursue that as an immediate abatement. (the property will continue to be monitored for the next 6 months automatically)

Motion 2nd – Mike O'Brien

LYG Holdings LLC
1216 E. Kenosha St. #109
Broken Arrow, OK 74012

Re: **FINDING FROM ADMISISTRATIVE HEARING**—Tall Grass and Weeds at 1222
W. C St., Jenks, Oklahoma

Official notice is hereby given of the decision and order of the Code Enforcement Administrative Hearing Board from the hearing held on June 18, 2026 to determine whether the tall grass and weeds on the property at 1222 W. C St., Jenks, Oklahoma are by definition in violation and if action is required to eliminate this nuisance.

Notice of said hearing was sent via Certified Mail on June 8, 2026 to you at LYG Holdings LLC, 1216 E. Kenosha St., #109, Broken Arrow, Oklahoma and the property was posted on June 6, 2026.

The Administrative Hearing Board made a unanimous finding that the property is still in violation of City Code for the tall grass and weeds and hereby issues an order for immediate abatement of the tall grass and weeds.

The City will cause the clean-up and removal of the tall grass and weeds, or contract with a third party for the same, to comply with the issued order since you have been non-responsive. Upon completion of the work, the City shall determine the actual cost of the work performed, and shall direct the City Clerk to forward a statement and demand payment thereof by mail to the owner of the property at the address shown by the current tax rolls in the office of the treasurer of Tulsa County. If the cost of the work performed is not paid within thirty (30) days from the date of mailing the statement and demand for payment, the City Clerk shall forward a certified statement of the amount of such cost to the County Treasurer to be levied upon the property and to be collected by the County Treasurer in the manner prescribed by the law of the State of Oklahoma as specified in Article 13-1-21 of the Jenks City Code.

11 O.S. 22-111 (B)

B. If a notice is given by a municipal governing body to a property owner ordering the property within the municipal limits to be cleaned of trash and weeds or grass to be cut or mowed in accordance with the procedures provided for in subsection A of this section, any subsequent accumulations of trash or excessive weed or grass growth on the property occurring within a six-month period may be declared to be a nuisance and may be summarily abated without further prior notice to the property owner.

From the effective date of the mailing of this order the property owner shall have ten (10) days in which to file an appeal of the terms of the order with the City Clerk requesting a hearing before the City Council, whose determination shall be final.

Nuisance Violation Hearing

Name: Narayan Naik - present

General Location: 1223 W. Main St.

RE: CE-26-040

Violation: Tall Grass and Weeds, Trash and Debris

(All letters sent to the property address are returned unclaimed. A redelivery has been scheduled for the Oklahoma City address listed on the Assessor's website. – fence laying on this side of the property. Has tall grass and weeds in areas, but they did mow.

Mr. Naik said he moved it today, but asked how he knows if it is his fence or his neighbors fence. Tanner explained how if it is between 2 properties it could be deemed as a shared fence. Since it fell into his yard, it now is deemed trash and debris in his yard. Tanner suggested asking his neighbor if he wants the fence back to repair the fence and if not he could just dispose of the section of fence that is in his yard.

Melissa said if you just get some roundup and sprayed it on the back fenceline, that should be sufficient. He confirmed that it is his responsibility to take care of the back fenceline too. Melissa confirmed that it is.

He said his buddy mowed his yard and the others around it. And that all last summer the other yards had tall weeds and how come they didn't get complaints. Malea said we go on a complaint basis, we don't go out looking for it, so we would have received a complaint. And she also confirmed that we did get a complaint on his neighbors last year and that is why they had to get the trash and debris off of the shared fence. He said that was his bad since his buddy mowed that yard.

He then asked if he can know who made the complaint...Malea told him it was from the insurance agency next door to him. She said another thing to consider is that tall grass hides field mice and other critters and so everyone needs to keep it down so we aren't causing issues for neighbors. He said he understood. Melissa said he was right on Main Street so he is going to get lots of eyes on his place and a lot of attention there. He again said that he understood.

He asked if there was a way to compromise on one part, he said along the back fence there was a lot of poison ivy and asked if he could leave it. Melissa said you want to have poison ivy? Tanner said no, you are not allowed to have poison ivy. Tanner said to get some chemical weed killer and kill it out of there. Mr. Naik asked if the City subsidized that. Tanner said no, it was the responsibility of the homeowner. Mr. Naik confirmed that he should just kill everything. Tanner agreed. Melissa said to just get it cleaned up.

Tanner asked how long he would need to take care of everything discussed today. He said his buddy already mowed part of it, so he could get him to take care of it all next Tuesday or Wednesday. Mr. Naik

also pointed out that he doesn't reside in the house much in the summer, so he is gone a lot. Tanner said we have other citizens that are like that too, so he could get a service that would take care of it on a weekly basis so it was done whether he was here or not.

Melissa asked for a motion for 30 or 15 days to take care of it.

Motion – Tanner Rush

Makes a motion that as it is now, the property is a nuisance due to the items listed today, and that we will give the property owner 15 days to remediate before the city abates.

Mr. Naik asked if he should just drop the fenceline? Melissa asked for clarification, 'Drop it?'

Mr. Naik said pointed the fenceline on the second picture and said so you guys just want me to drop the fenceline there and that's it? Tanner clarified, 'Chop it? Yes.' Mr. Naik nodded yes and said ok.

Initial letter was returned Unclaimed. Hearing letter was delivered.

Malea talked to Troy Ramey today. He is the one who lives there. He was in the hospital last night after having a stroke and he is back at the DR today with blood pressure issues. He is having his sons help him clean this up since he is having health issues right now. And he is asking for more time. One of the trailers in the photo is gone, the other one has been somewhat cleaned out, so he has made some progress.

Malea said she would talk to them to make sure they clean up all the trash and debris in the back as well as the front.

Malea said they should be able to clean it all up in 30 days.

Motion – Tanner Rush

Tanner moves that there are several nuisances at this property, to include the loaded trailers, the accumulation of trash and debris and the tall grass and weeds, so he moves that the property would be benefitted by the removal of the conditions found, however that we give the owners 45 days more time to clean up these issues before the city would consider coming back for an order of abatement.

Motion 2nd – Mike O'Brien

VOTE:

Unanimous Vote of Yes

45 days = August 3rd

Nuisance Violation Hearing

Name: Viktor Lempert – not present

General Location: 2824 W. G St.

RE: CE-26-056

Violation: ~~Vehicles on Grass~~

Scrivner's error – this violation is actually for Grass and Weeds, and Trash and Debris

2nd year we have dealt with this property, in Staplehurst. The house burned. This fellow bought it and it gets grown up. Now there is a pile of brush... Melissa pointed out that this is labeled as Vehicles on Grass. Malea confirmed that that is a scrivener's error, and that on the letter that was sent to the owner, the violation was listed correctly.

Malea said today's pics reveal that the covered pile of stuff on the slab is actually a now half covered pile of dirt and grass clippings; so there is that and still tree clippings, and tall grass and weeds.

A neighbor has mowed along their fenceline all the way up to the driveway area. But the back of the lot is still really tall, and the south side is still tall.

They have never responded to our mailings. They aren't claimed. Their address changed this year, and there is no forwarding address. One was returned with no forwarding address. And another was marked on the UPS deliver site as undeliverable-vacant lot.

Melissa asked if we could locate an address or owner of an LLC. Tanner said we could try.

Malea said she cross referenced the name and addresses on the assessor site to get the second address, but didn't have any luck at that address. Melissa said it was ultimately the owners' responsibility to keep up with their properties so let's just make a motion.

Motion – Tanner Rush

Making a motion that the conditions on this property constitute a nuisance for the accumulations of tall grass and weeds and trash and debris, and it is detrimental to the health and safety and the welfare of the community and that the property would benefit from the immediate removal of all conditions found, trash and debris, and tall grass and weeds, and that the city should pursue that as an immediate abatement. (the property will continue to be monitored for the next 6 months automatically)

Motion 2nd – Mike O'Brien

VOTE:

Unanimous Vote of Yes

Nuisance Violation Hearing

Name: Farabough Homes LLC – not present

General Location: 604 E. 126th St. S..

RE: CE-26-058

Violation: Tall Grass and Weeds

First letter returned Unclaimed. Hearing letter delivery attempt was made, but recipient has not left instructions for redelivery.

There is a house being built on lot 604. Owners say builder is responsible for mowing around their own equipment. It looks like the lot has been mowed recently but Malea would like to leave this one open to monitor it since she is not sure if the builder or the construction company mowed the lot.

Motion – Tanner Rush

Makes a motion to continue this one until next months hearing so we can get an update on the current conditions.

Motion 2nd – Mike O'Brien

VOTE:

Unanimous Vote of Yes

Melissa asked if the staff had any other correspondence to discuss.

There was none.

ADJOURNMENT

Motion – Tanner Rush

With no further violations nor hearings listed, Tanner makes a motion to adjourn the meeting.

Motion 2nd - Mike O'Brien

Re: Permit No. WL000072260590
Bentley Ranch Subdivision Potable Water Line Extension
PWSID No. OK3007201

Dear Mr. Shrout:

Enclosed is Permit No. WL000072260590 for the construction of 2,864 linear feet of six (6) inch PVC, 2,639 linear feet of eight (8) inch PVC potable water line and all appurtenances to serve the Bentley Ranch Subdivision, Tulsa County, Oklahoma.

The project authorized by this permit should be constructed in accordance with the plans approved by the Department of Environmental Quality ("DEQ") on July 10, 2026. Any deviations from the approved plans and specifications affecting capacity, flow, or operation of units must be approved, in writing, by DEQ before changes are made.

Receipt of this permit should be noted in the minutes of the next regular meeting of the City of Jenks, after which it should be made a matter of permanent record.

Approved plans and specifications are available upon request.

Respectfully,

Qusay Kabariti, P.E.

PERMIT TO CONSTRUCT

July 10, 2026

Pursuant to O.S. 27A 2-6-304, the City of Jenks is hereby granted this Tier I Permit to construct 2,864 linear feet of six (6) inch PVC, 2,639 linear feet of eight (8) inch PVC potable water line and all appurtenances to serve the Bentley Ranch Subdivision, located in Section 7, T-17-N, R-13-E, Tulsa County, Oklahoma, in accordance with the plans approved July 10, 2026.

By acceptance of this permit, the permittee agrees to operate and maintain the facility in accordance with OAC 252:631 and to comply with Title 59, Section 1101-1116 O.S. and the rules and regulations adopted thereunder regarding the requirements for certified operators.

This permit is issued subject to the following provisions and conditions.

- 1) This water line provides adequate fire flow in accordance with the 2009 International Fire Code through the approved hydraulic analysis. The fire flow provided is 1,000 gpm.
- 2) That the recipient of the permit is responsible for ensuring that the project receives supervision and inspection by competent and qualified personnel.
- 3) That construction of all phases of the project will be started within one year of the date of approval or the phases not under construction will be resubmitted for approval as a new project.
- 4) That no significant information necessary for a proper evaluation of the project has been omitted and no invalid information has been presented in applying for the permit.
- 5) That the Oklahoma Department of Environmental Quality ("DEQ") shall be kept informed on occurrences which may affect the eventual performance of the works or that will unduly delay the progress of the project.
- 6) That wherever water and sewer lines are constructed with spacing of 10 feet or less, sanitary protection will be provided in accordance with OAC 252:626-19-2.
- 7) That before placing this facility into service, at least two samples of the water, taken on different days, shall be tested for bacteria to show that it is safe for drinking purposes.
- 8) That any deviations from approved plans or specifications affecting capacity, flow, or operation of units must be approved by DEQ before any such deviations are made in the construction of this project.
- 9) That the recipient of the permit is responsible for the continued operation and maintenance of these facilities in accordance with rules and regulations adopted by the Environmental Quality Board, and that DEQ will be notified in writing of any sale or transfer of ownership of these facilities.
- 10) The issuance of this permit does not relieve the responsible parties of any obligations or liabilities which the permittee may be under pursuant to prior enforcement action taken by DEQ.

- 11) That the permittee is required to inform the developer/builder that a DEQ Storm Water Construction Permit is required for a construction site that will disturb one (1) acre or more in accordance with OPDES, 27A O.S. Section 2-6-201 *et seq.* For information or a copy of the GENERAL PERMIT (OKR10) FOR STORM WATER DISCHARGES FROM CONSTRUCTION ACTIVITIES, Notice of Intent form, Notice of Termination form, or guidance on preparation of a Pollution Prevention Plan, contact the Storm Water Unit of the Water Quality Division at P.O. Box 1677, Oklahoma City, OK 73101-1677 or by phone at (405) 702-8100.
- 12) That any notations or changes recorded on the official set of plans and specifications in DEQ files shall be part of the plans as approved.
- 13) That water lines shall be located at least fifteen (15) feet from all parts of septic tanks and absorption fields, or other sewage treatment and disposal systems.
- 14) That whenever plastic pipe is approved and used for potable water, it shall bear the seal of the National Sanitation Foundation and meet the appropriate commercial standards.
- 15) That when it is impossible to obtain proper horizontal and vertical separation as stipulated OAC 252:626-19-2(h)(1) and OAC 252:626-19-2(h)(2), respectively, the sewer shall be designed and constructed equal to water pipe, and shall be pressure tested to the highest pressure obtainable under the most severe head conditions of the collection system prior to backfilling.

Failure to appeal the conditions of this permit in writing within 30 days from the date of issue will constitute acceptance of the permit and all conditions and provisions.

PWSID No. OK3007201

Dear Mr. Shrout:

Enclosed is Permit No. WL000072260555 for the construction of 4, 103 linear feet of eight (8) inch PVC, 2,802 linear feet of six (6) inch PVC, 741 linear feet of four (4) inch PVC potable water line and all appurtenances to serve the Kimberly Estates Addition, Tulsa County, Oklahoma.

The project authorized by this permit should be constructed in accordance with the plans approved by the Department of Environmental Quality ("DEQ") on June 25, 2026. Any deviations from the approved plans and specifications affecting capacity, flow, or operation of units must be approved, in writing, by DEQ before changes are made.

Receipt of this permit should be noted in the minutes of the next regular meeting of the City of Jenks, after which it should be made a matter of permanent record.

Approved plans and specifications are available upon request.

Respectfully,

Qusay Kabariti, P.E.

PERMIT TO CONSTRUCT

June 25, 2026

Pursuant to O.S. 27A 2-6-304, the City of Jenks is hereby granted this Tier I Permit to construct 4, 103 linear feet of eight (8) inch PVC, 2,802 linear feet of six (6) inch PVC, 741 linear feet of four (4) inch PVC potable water line and all appurtenances to serve the Kimberly Estates Addition, located in Section 9, T-17-N, R-13-E, Tulsa County, Oklahoma, in accordance with the plans approved June 25, 2026.

By acceptance of this permit, the permittee agrees to operate and maintain the facility in accordance with OAC 252:631 and to comply with Title 59, Section 1101-1116 O.S. and the rules and regulations adopted thereunder regarding the requirements for certified operators.

This permit is issued subject to the following provisions and conditions.

- 1) This water line provides adequate fire flow in accordance with the 2009 International Fire Code through the approved hydraulic analysis. The fire flow provided is 1,000 gpm.
- 2) That the recipient of the permit is responsible for ensuring that the project receives supervision and inspection by competent and qualified personnel.
- 3) That construction of all phases of the project will be started within one year of the date of approval or the phases not under construction will be resubmitted for approval as a new project.
- 4) That no significant information necessary for a proper evaluation of the project has been omitted and no invalid information has been presented in applying for the permit.
- 5) That the Oklahoma Department of Environmental Quality ("DEQ") shall be kept informed on occurrences which may affect the eventual performance of the works or that will unduly delay the progress of the project.
- 6) That wherever water and sewer lines are constructed with spacing of 10 feet or less, sanitary protection will be provided in accordance with OAC 252:626-19-2.
- 7) That before placing this facility into service, at least two samples of the water, taken on different days, shall be tested for bacteria to show that it is safe for drinking purposes.
- 8) That any deviations from approved plans or specifications affecting capacity, flow, or operation of units must be approved by DEQ before any such deviations are made in the construction of this project.
- 9) That the recipient of the permit is responsible for the continued operation and maintenance of these facilities in accordance with rules and regulations adopted by the Environmental Quality Board, and that DEQ will be notified in writing of any sale or transfer of ownership of these facilities.
- 10) The issuance of this permit does not relieve the responsible parties of any obligations or liabilities which the permittee may be under pursuant to prior enforcement action taken by DEQ.

- 11) That the permittee is required to inform the developer/builder that a DEQ Storm Water Construction Permit is required for a construction site that will disturb one (1) acre or more in accordance with OPDES, 27A O.S. Section 2-6-201 *et seq.* For information or a copy of the GENERAL PERMIT (OKR10) FOR STORM WATER DISCHARGES FROM CONSTRUCTION ACTIVITIES, Notice of Intent form, Notice of Termination form, or guidance on preparation of a Pollution Prevention Plan, contact the Storm Water Unit of the Water Quality Division at P.O. Box 1677, Oklahoma City, OK 73101-1677 or by phone at (405) 702-8100.
- 12) That any notations or changes recorded on the official set of plans and specifications in DEQ files shall be part of the plans as approved.
- 13) That water lines shall be located at least fifteen (15) feet from all parts of septic tanks and absorption fields, or other sewage treatment and disposal systems.
- 14) That whenever plastic pipe is approved and used for potable water, it shall bear the seal of the National Sanitation Foundation and meet the appropriate commercial standards.
- 15) That when it is impossible to obtain proper horizontal and vertical separation as stipulated OAC 252:626-19-2(h)(1) and OAC 252:626-19-2(h)(2), respectively, the sewer shall be designed and constructed equal to water pipe, and shall be pressure tested to the highest pressure obtainable under the most severe head conditions of the collection system prior to backfilling.

Failure to appeal the conditions of this permit in writing within 30 days from the date of issue will constitute acceptance of the permit and all conditions and provisions.

Re: Permit No. SL000072260558
Frazier Falls Subdivision Sanitary Sewer Line Extension
Facility No. S-20403

Dear Mr. Shrout:

Enclosed is Permit No. SL000072260558 for the construction of 5,961 linear feet of eight (8) inch PVC sanitary sewer line and all appurtenances to serve the Frazier Falls Subdivision, Tulsa County, Oklahoma.

The project authorized by this permit should be constructed in accordance with the plans approved by the Department of Environmental Quality ("DEQ") on June 19, 2026. Any deviations from the approved plans and specifications affecting capacity, flow, or operation of units must be approved, in writing, by DEQ before changes are made.

Receipt of this permit should be noted in the minutes of the next regular meeting of the City of Jenks, after which it should be made a matter of permanent record.

Approved plans and specifications are available upon request.

Respectfully,

Qusay Kabariti, P.E.

PERMIT TO CONSTRUCT

June 19, 2026

Pursuant to O.S. 27A 2-6-304, the City of Jenks is hereby granted this Tier I Permit to construct 5,961 linear feet of eight (8) inch PVC sanitary sewer line and all appurtenances to serve the Frazier Falls Subdivision, located in Section 5, T-17-N, R-13-E, Tulsa County, Oklahoma, in accordance with the plans approved June 19, 2026.

By acceptance of this permit, the permittee agrees to operate and maintain the facilities in accordance with the Oklahoma Administrative Code ("OAC") 252:606 rules and to comply with Title 59, Section 1101-1116 O.S. and the rules and regulations adopted thereunder regarding the requirements for certified operators.

This permit is issued subject to the following provisions and conditions.

- 1) That the recipient of the permit is responsible for ensuring that the project receives supervision and inspection by competent and qualified personnel.
- 2) That construction of all phases of the project will be started within one year of the date of approval or the phases not under construction will be resubmitted for approval as a new project.
- 3) That no significant information necessary for a proper evaluation of the project has been omitted and no invalid information has been presented in applying for the permit.
- 4) That wherever water and sewer lines are constructed with spacing of 10 feet or less, sanitary protection will be provided in accordance with OAC 252:656-5-4(c)(3).
- 5) That tests will be conducted as necessary to ensure that the construction of the sewer lines will prevent excessive infiltration and that the leakage will not exceed 10 gallons per inch of pipe diameter per mile per day.
- 6) That the Oklahoma Department of Environmental Quality ("DEQ") shall be kept informed of occurrences which may affect the eventual performance of the works or that will unduly delay the progress of the project.
- 7) That the permittee will take steps to assure that the connection of house services to the sewers is done in such a manner that the functioning of the sewers will not be impaired and that earth and ground water will be excluded from the sewers when the connection is completed.
- 8) That any deviations from approved plans or specifications affecting capacity, flow, or operation of units must be approved by DEQ before any such deviations are made in the construction of this project.
- 9) That any notations or changes recorded on the official set of plans and specifications in DEQ files shall be part of the plans as approved.

PERMIT No. SL000072260558
FACILITY No. S-20403

- 10) That the recipient of the permit is responsible for the continued operation and maintenance of these facilities in accordance with rules and regulations adopted by the Environmental Quality Board, and that DEQ will be notified in writing of any sale or transfer of ownership of these facilities.
- 11) The issuance of this permit does not relieve the responsible parties of any obligations or liabilities which the permittee may be under pursuant to prior enforcement action taken by DEQ.
- 12) That the permittee is required to inform the developer/builder that a DEQ Storm Water Construction Permit is required for a construction site that will disturb one (1) acre or more in accordance with OPDES, 27A O.S. 2-6-201 *et. seq.* For information or a copy of the GENERAL PERMIT (OKR10) FOR STORM WATER DISCHARGES FROM CONSTRUCTION ACTIVITIES, Notice of Intent (NOI) form, Notice of Termination (NOT) form, or guidance on preparation of a Pollution Prevention Plan, contact the Storm Water Unit of the Water Quality Division at P.O. Box 1677, Oklahoma City, OK 73101-1677 or by phone at (405) 702-8100.
- 13) That all manholes shall be constructed in accordance with the standards established in OAC 252:656-5-3.
- 14) That when it is impossible to obtain proper horizontal and vertical separation as stipulated in OAC 252:656-5-4(c)(1) and OAC 252:656-5-4(c)(2), respectively, the sewer shall be designed and constructed equal to water pipe, and shall be pressure tested using the ASTM air test procedure with no detectable leakage prior to backfilling, in accordance with OAC 252:656-5-4(c)(3).

Failure to appeal the conditions of this permit in writing within 30 days from the date of issue will constitute acceptance of the permit and all conditions and provisions.

JENKS FIRE & RESCUE

P.O. Box 2007
Jenks, OK 74037-2007
918-298-1491

To: Chris Shrout, City Manager
Mike Sanchez, Finance Director
From: Greg Ostrum, Fire Chief

Mr. Shrout and Mr. Sanchez

I respectfully recommend approval of the purchase of the River Raptor XTR Rescue Boat through a sole-source procurement process for the Jenks Fire Department's swift water rescue program. The total purchase price is \$89,848.49 and is included in the FY 2026-2027 capital budget.

Following extensive research, product evaluations, demonstrations, and discussions with manufacturers, the Jenks Fire Rescue Boat Committee unanimously concluded that the River Raptor XTR is the only rescue vessel that fully meets the operational needs of our department and the unique water rescue challenges within the City of Jenks and the surrounding region.

The River Raptor provides a combination of capabilities not available in any other known rescue boat, including an aluminum hull, rigid inflatable design, inboard jet propulsion, ultra-shallow water operation in as little as four inches of water, self-bailing rescue deck, multi-chamber inflatable collar system, and integrated debris-management features. These capabilities allow our personnel to safely operate in floodwaters, shallow rivers, debris-filled environments, and other conditions where conventional rescue boats cannot effectively respond.

In addition to its exceptional rescue performance, the River Raptor enhances responder and patient safety through its durable construction, stable rescue platform, enclosed jet propulsion system, and rescue-specific layout. The vessel also improves operational efficiency by reducing crew workload during technical water rescues, allowing personnel to focus on victim care and hazard recognition while maintaining superior maneuverability.

The committee also considered long-term ownership costs and operational readiness. River Raptor's superior construction, 15-year warranty on its inflatable tube system, and the availability of a local service center in Tulsa provide significant advantages by reducing maintenance downtime and ensuring the vessel remains ready for emergency response.

Based on our market research, no other commercially available rescue boat provides this unique combination of mission-critical capabilities without compromising operational effectiveness or responder safety. For these reasons, the department has determined that the River Raptor XTR is the only known vessel that fully satisfies our operational requirements, making it appropriate for sole-source procurement.

This investment will significantly strengthen Jenks Fire Department's ability to respond to swift water and flood rescue incidents while enhancing the safety of both our responders and the citizens we serve for many years to come.

Thank you for your continued support of the Jenks Fire Department and your commitment to providing our personnel with the equipment necessary to protect our community.

Respectfully,

Greg Ostrum

Fire Chief

Jenks Fire Department

**Jenks Fire Rescue Boat Committee
Jenks Fire Department**

To: Jenks City Council

Subject: Recommendation for the Purchase of the River Raptor Rescue Boat

Dear Members of the Jenks City Council,

On behalf of the Jenks Fire Department, the Jenks Fire Rescue Boat Committee respectfully submits this letter recommending the purchase of the River Raptor Rescue Boat as the department's next swift water rescue vessel.

After extensive research, demonstrations, and comparison of several rescue boat manufacturers, the committee has unanimously concluded that the River Raptor Rescue Boat is the best option for the unique operational environment within the City of Jenks and the surrounding waterways we serve.

The River Raptor offers several significant advantages over other jet-powered rescue boats currently available. Most importantly, it is capable of operating in as little as 4 inches of water, allowing our crews to access areas that are inaccessible to conventional rescue boats. This capability is critical during flooding events and shallow-water rescue operations, where every second counts.

The River Raptor is also built with a thicker marine-grade hull than comparable rescue boats, providing increased durability when operating in unknown or debris-filled water conditions. This rugged construction not only reduces the likelihood of damage but also allows the boat to be safely towed if it becomes grounded.

Standard equipment includes a 3,000-pound bow-mounted winch, providing valuable capabilities for self-recovery, towing disabled vessels, and anchoring during rescue operations. These features increase both the versatility and safety of the vessel in emergency situations.

Another major advantage is the quality of the River Raptor's inflatable tube system. The tubing is manufactured with superior materials and construction methods and is backed by a 15-year manufacturer's warranty, demonstrating the company's confidence in its product. In comparison, another boat under consideration offered no warranty on its tube system and did not have a dedicated service network.

Equally important, River Raptor will have a service center located in Tulsa, providing local support that will significantly reduce downtime should the vessel require

maintenance or repairs. Having a nearby authorized service provider ensures the boat can be returned to service quickly, maximizing operational readiness.

The River Raptor's inboard 300-horsepower jet propulsion system offers another operational advantage. Because the engine is mounted internally, the stern provides a stable rear platform that can be used to secure a patient on a backboard while personnel perform lifesaving interventions such as CPR during transport. This capability is not available on many outboard-powered rescue boats.

From an operational standpoint, the River Raptor also improves crew efficiency. During traditional swift water rescue operations, the bowman is often required to assist the operator with aggressive turns and maneuvering through difficult water. However, the River Raptor's powerful 300-horsepower jet drive allows the operator to perform these maneuvers independently. This enables the bowman to fully focus on rescue operations, victim contact, hazard identification, and obstacle spotting rather than assisting with boat control. As a result, the vessel effectively reduces manpower requirements while simultaneously increasing the crew's operational readiness and overall safety.

The committee also recognizes the River Raptor's ability to adapt to future mission requirements. Its design allows for additional equipment and technological upgrades as our department's rescue capabilities continue to evolve.

In conclusion, the Jenks Fire Rescue Boat Committee firmly believes the River Raptor Rescue Boat represents the best long-term investment for the City of Jenks. Its exceptional construction quality, unmatched shallow-water performance, enhanced rescue capabilities, reduced staffing demands, local service support, and future expansion potential make it the superior rescue boat available today. These same advantages are why numerous fire departments, rescue agencies, and state-level swift water task forces across the country have selected the River Raptor as their rescue platform of choice.

For these reasons, the committee unanimously recommends the purchase of the River Raptor Rescue Boat to serve the citizens of Jenks and the surrounding communities. We are confident this investment will enhance the safety of both our responders and the public while providing a reliable rescue platform for many years to come.

Thank you for your consideration and continued support of the Jenks Fire Department. We appreciate your commitment to providing our personnel with the equipment necessary to safely and effectively protect our community.

Respectfully,

Jenks Fire Rescue Boat Committee
Jenks Fire Department

River Raptor Jetboats

Requested Product:

River Raptor XTR Rescue Boat

PURPOSE

The purpose of this sole source procurement justification is to document the operational requirements necessitating the purchase of the River Raptor XTR Rescue Boat and to establish that no other known commercially available product provides the specific combination of capabilities required to meet the Agency's mission needs.

OPERATIONAL REQUIREMENT

The Agency requires a rescue vessel capable of operating in shallow water, flood conditions, debris-laden waterways, Swiftwater environments, and other emergency response situations where conventional

propeller-driven vessels are unable to safely or effectively operate.

The vessel must provide:

- Safe operation in extremely shallow water.
- Jet propulsion without an exposed propeller.
- Rapid deployment capability.
- High maneuverability in confined waterways.
- Personnel safety during rescue operations.
- Durability in debris-filled environments.
- Stability for victim recovery and transport.
- Transport capability for rescue personnel and equipment.

UNIQUE FEATURES OF THE RIVER RAPTOR XTR 1860

The River Raptor XTR possesses a unique combination of features that are critical to the Agency's operational mission, including:

1. Inboard jet propulsion system eliminating exposed propeller hazards.
2. Ultra-shallow draft operation allowing access to flooded areas, shallow rivers, and low-water environments inaccessible to conventional rescue boats.
3. Aluminum hull construction providing superior durability and impact resistance for emergency response operations.
4. Inflatable multi-chamber collar system providing enhanced stability, buoyancy, and personnel protection during rescue operations.

5. Self-bailing deck configuration designed specifically for rescue and flood-response environments.

6. Integrated debris-management capability, including a stomp grate system for operation in vegetation and debris-filled waterways.

7. Compact 18-foot platform capable of transporting rescue personnel, victims, and equipment while maintaining exceptional maneuverability.

SOLE SOURCE DETERMINATION

Based upon market research conducted by the Agency, no other known manufacturer currently offers a rescue vessel that combines:

- Aluminum hull construction;
- Rigid inflatable rescue boat configuration;
- Inboard jet propulsion;
- Ultra-shallow-water operational capability;
- Rescue-specific deck layout;
- Multi-chamber inflatable collar system; and
- Debris-management features suitable for flood and Swiftwater rescue missions.

While other manufacturers may offer rescue boats, rigid inflatable boats, or jet-propelled vessels, none are known to provide this specific combination of mission-critical capabilities required by the Agency.

IMPACT OF ALTERNATE PROCUREMENT

Procurement of an alternative vessel would result in one or more of the following:

- Reduced operational capability.
- Reduced access to shallow-water rescue environments.
- Increased risk of propeller-related injury.
- Reduced effectiveness during flood response operations.
- Reduced personnel and victim safety.
- Increased maintenance and operational limitations in debris-filled waterways.

CONCLUSION

The River Raptor XTR Rescue Boat is determined to be the only known product that satisfies the Agency's operational requirements without compromise. Accordingly, the Agency requests approval to procure the River Raptor XTR 1860 through a sole source procurement process.

CERTIFICATION

I certify that the information contained herein is accurate and that the recommended sole source procurement is necessary to meet the Agency's operational requirements
