Subject: Case# JBOA21-442

Mr. Macy my name is Mark Zumwalt. I live at 3005 West F Street in Staplehurst addition in Jenks Oklahoma. I will be working my police job on 10/14/2021 and will not be able to attend the meeting on JBOA21-442 and wanted to express my concerns on the proposed day care zoning change in my neighborhood. I purchased this home new in 2001 due to how well kept the neighborhood looked and how quiet the area was. I bought my home wanting to live in a nice residential neighborhood. I do not want this passed where you can turn homes into business's, I'm afraid their property will get ran down and the traffic this could bring to the neighborhood is not what I would like. I know these homeowners have only been there a few years and if they want to start a business there are plenty of empty commercial buildings in Jenks that are vacant that they could lease. This family also has a family member that drives a semi and parks it out on Franklin Street around F Street and that is not permissible by city codes and interferes with traffic trying to get to Jenks West schools in the morning and afternoons. It's like these homeowners do not care they impact others. I would like to keep our residential neighborhood nice and property values up.

Thank you, Mark Zumwalt

- The supplier of gas, electric, telephone and cable television services, through its agents and employees, shall at all times have the right of access to all easement ways shown on the plat or otherwise provided for in this Deed of Dedication for the purpose of installing, maintaining, removing or replacing any portion of the underground gas, electric, telephone or cable television facilities installed by the supplier of the utility service.

In the event such areas are not properly maintained, the City of Jenks or its contractors may enter upon said property, perform the maintenance and bill the Owner/Developer or homeowners' association, whoever is the then owner of such property, for the same. Such cost of maintenance shall become a lien on all the Residential Lots (as hereinafter defined), which may be foreclosed by the City of Jenks, Oklahoma; or the City of Jenks or the Jenks Public Works Authority may add such billing prorata upon the Residential Lot owner's water bill, which method of collection is agreed to by all Residential Lot owners.
